Von B.G. Thomas : The Boy Who Came In From the Cold (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boy Who Came In From the Cold (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. a soft-spoken book and a sweetly pleasant readVon FelizTwo guys falling for each other over the span of a couple of days, deciding they're going to spend their lives together after no more than a week...and one of them initially deeply in denial...you'd think Insta!love to the max? You'd say, thanks but no thanks, not my kind of thing?Don't.This is one of

the rare events where "falling in love at first sight" doesn't even remotely amount to Insta!love. The characters, particularly Todd, have so much to work through, so much to realize about themselves, each other and their perception of the world, that those few days feel like a much longer time. I found it actually easy to relate to how the falling in love could happen so fast. Despite all the inner goings-on, musings and figuring things out, this wasn't actually overly angst-y. Mostly thanks to Gabe, a man who has both feet firmly planted on the ground. Oh, he's no perfect uber-human, he has his hangups and doubts too, but at the core, he's centered and mature. Quite Zen, I'd say. He makes the best kind of solid anchor for Todd, even more so since Gabe has realized his past mistakes and learned something from them. The subject matter of finding yourself, coming to terms with yourself and standing by who you are is something I've always found fascinating. In this book, I found this topic explored in a fascinating way in the character of Todd, who has such a hard time to accept his own identity as a gay man. But once he does, oh, he blooms so beautifully... talk about a man coming into his own. I could see him as Gabe's equal despite their very un-balanced beginnings. Not to mention the fact that they are *wow* hot in the sack together! There are some very colorful figures among the secondary cast, particularly Peter, wise-cracking, poets-quoting, swashbuckling fairy godmother. When Peter appeared on the scene, he stole the show away from everyone; I just LOVED him. Izar Goya and Tracy were great female characters without being overwhelming, and I also liked the way many characters from BG Thomas's earlier books made cameo appearances (*wave* hi Bianca!) From the blurb and general plot, this story may seem like just more of the same old, same old, but it's really not. Aside from the smooth, compelling writing in and of itself, there's an overall gentleness and a respect to the narrative and dialogue as well that I found very appealing. This is a soft-spoken book, so to say, yet all the more intense for it. Highly recommended. 0 von 0 Kunden fanden die folgende Rezension hilfreich. nett Von Snorkeling Eine nette Coming-out-Geschichte und eine zarte Liebesgeschichte zwischen einem gestandenen Mann und einem recht jungen Burschen, der sich erst noch bewusst machen muss, dass er schwul ist und sich Hals über Kopf in den Typen verliebt hat, der ihn vor einem möglicherweise eisigen Schicksal im Schneesturm bewahrt hat... Schn an der Erzählung war, dass der Autor sich hier mal Zeit genommen hat, ganz viele kleine Beobachtungen einzustreuen, wie es ist, sich zu verlieben. Sonst sind viel zu oft gleich bombastische Emotionen zu lesen, hier fühlt sich das viel realistischer und daher besser an. Weniger schön war, dass leider nach dem zweiten Drittel so gar keine Spannung mehr da ist. Es gibt keinerlei Widerstände, weshalb die beiden Protagonisten zusammen kommen sollten - der Altersunterschied und der gewaltige Unterschied an Lebenserfahrung, geschweige denn Berufserfahrung ist offenbar kein Problem, also geht alles wie am Schnur in Richtung Happy End und das ist schade, denn ein wenig mitzittern, ob sich die beiden kriegen, ist in jedem Liebesroman das eigentlich Gute, auch wenn das HEA klar ist. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Cinderella story Von SunneHm... It started great, I wanted a Cinderella story. And they didn't disappoint me. It's well written, the characters great, the development believable despite it's "instant"-character. My biggest issue with the story is the end, how everything worked out even better than expected. I would have been more than happy with a HEA and maybe cooking school or something similar. The rest was overkill for me, but that's my taste.

Kurzbeschreibung Todd Burton has had enough of small-town Buckman. His abusive stepfather calls him a fag; his friend Austin makes him realize he may be gay, but Todd doesn't want to admit his stepfather is right; and he dreams of being a chef. Three good reasons to flee his hometown and pursue greener pastures. But when Todd reaches the big city, his luck runs dry. Soon he can't pay his rent and gets evicted. In the middle of a snowstorm. Gabe Richards is a wealthy businessman with enough wounds of his own to make him afraid of ever being intimate again. But when he sees Todd outside his building, freezing to death, he takes pity on him and takes him in from the cold. To their mutual surprise, Todd and Gabe find themselves drawn to each other. One night turns into a week. Maybe letting a man in from the cold can melt the ice around Gabe's heart and maybe getting evicted will turn Todd's luck around.
