Von River Jaymes : The Boyfriend Mandate (The Boyfriend Chronicles Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boyfriend Mandate (The Boyfriend Chronicles Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. These guys deserve each otherVon FelizI really liked this book, although not quite as much as the first in the series. More

about this later. First the pros: The writing was wonderful, catchy and smooth (aside from those annoyingly overused expletives-- "Judas Priest" and "Jesus Haploid Christ"--ehm, wait, what?) Tyler, whom I didn't care for all that much during the first book, really grew on me during this one. Memphis, of course, was an adorable, manipulative, mischievous bastard like he was meant to be. Alec and Dylan from book one made a few cameos, and I loved meeting them again; I especially loved to see insecure Dylan giving and receiving advice from Tyler, of all people. As Tyler and Memphis's relationship grew closer, so did their group of friends. Meeting Julissa was another pro; she's a great female character, so well developed even in her rather minor role that I almost wished she'd get her own book at some point. However, I somewhat missed Noah. Even though much of the book was set at his place, Noah's presence wasn't as strongly felt as it was during the first book. Since Noah is kind of like the glue that keeps them all together (and my secret favorite of them all, admittedly) I was glad to see a new scrap of development during the epilogue, hinting at Noah finding happiness of his own in the not-so-far future. It's always hard to come up with a reason for a decade-long separation of "star-crossed" lovers. Although the reasons for Memphis's taking off in the first place took some suspension of disbelief, they were thoroughly explored later and explained to a point where I almost--almost could relate... which was the biggest issue I had with the book: the almost, even more so since I couldn't quite put my finger on what actually bothered me about Memphis and Tyler's breakup-and-reunion-trope. In the end, I guess it might've been a case of it's not the book, it's me, so... as taste is subjective, I think other readers need to find out for themselves. Overall, this was an enjoyable and commendable read, although I'm looking forward to Noah's story even more now.

Von Cole I really enjoyed the first book in the series, and this second book did not disappoint. I know Tyler was the supposed Baddie in the first book and he was portrayed a bit unsympathetic, but I never really thought he was horrible. There was an underlying sadness to his character and we found out the cause for that this time. I really felt for Memphis and I could fully appreciate his way of thinking. As a man of action, being ill is the worst thing that can happen. And not just ill, but seriously ill. He was so torn it broke my heart at times. The story how they find each other (again) was delightful and heartwarming. I do agree with some readers that some of the strong language was overdone, but it didn't interfere with my enjoyment of the story. This is one reason for four stars instead of five. The second is the fact that the book could do with another run through of editing. There are some small mistakes, which were noted but did not take away from the story. I loved the character development in this - both men have a very good, hard look at themselves which enables them to find a way forward in the end. Not to forget the hot sex - as for example a very memorable lift scene. A lovely book to take on holiday.

Hier ist der Fokus auf Tyler, Geschfts- und ehemaliger Lebenspartner von Alec. Tyler wird, aufgrund Noah's Intervention, wieder mit seinem früheren Freund Memphis zusammengeführt, der ihn vor 10 Jahren ohne ein Wort verlassen hat. Memphis ist Stuntman, und Noah hlt seine Teilnahme an einer Wohltigkeitsveranstaltung zur Unterstützung der Strassenklinik, die Alec und Tyler betreiben, fr sehr hilfreich. Im Laufe des Buches erfährt Tyler, weshalb Memphis in seinerzeit verlassen hatte, so dass er in gewisser Weise die Vergangenheit neu bedenken muss. Das erste Buch war meiner Ansicht nach besser, die Charaktere waren interessanter und liebenswerter. Die Hintergrundinformationen über Tyler lassen ihn sympathischer erscheinen als im ersten Buch. Mit Memphis konnte ich mich nicht recht anfreunden, obwohl ich seine Entscheidungen in gewisser Weise nachvollziehen konnte. Das dritte Buch handelt offensichtlich von Noah; da darf man gespannt sein.

Kurzbeschreibung Stuntman and two-time cancer survivor Memphis Haines excels at beating the odds. When he's presented with the opportunity to help his ex-boyfriend with a charity event, he jumps at the chance to make up for the devastating way he left Tyler ten years ago. Memphis might have taken the college geek's virginity, but the former athlete is now a hell of a head turner. And Dr. Tyler Hall's cool reserve is a challenge Memphis can't resist. A self-confessed rule breaker and line crosser, he'll keep turning up the heat with a single goal in mind: to melt the man's composure. Tyler Hall sticks to one simple mandate: no more dating ex-boyfriends. Ever. He certainly isn't interested in hooking up with Memphis Haines, the ex who jumps off buildings, dodges explosions, and poses for designer underwear ads. Ten years ago, falling for Memphis changed Tyler's life. The man's abrupt departure turned his world inside out. But he moved on long ago. Besides, he has a clinic for the homeless to run, patients to take care of, and no time to deal with the trouble his ex brings. Memphis, however, seems determined to rehash the past. And his boxer-dropping grin, hard body, and confident charm are resurrecting ultra-hot memories best not remembered, making Tyler's rule harder and harder to keep.

CONTENT WARNING: This book contains Man-on-Man action, adult situations and *ahem* language.
