die folgende Rezension hilfreich. Teenie Buch Von UihUij Also es war am Anfang etwas zh, ungefahr bei 11% wird es dann spannend. Aber ich konnte es am Ende kaum noch aus der Hand legen! War also ein tolles Buch!!

Kurzbeschreibung It seemed only natural to nickname them the Onslow Boys. Every time they swaggered in the front door of the Onslow Hotel after a hard weeks work, their laughter was loud and genuine as they settled onto their bar stools. I peeked through the restaurant partition, a flimsy divider between my world and theirs. I couldnt help but smile whenever I saw them, saw him ... Toby Morrison. Quiet seventeen-year-old Tess doesnt relish the thought of a summertime job. She wants nothing more than to forget the past haunts of high school and have fun with her best friends before the dreaded Year Twelve begins. To Tess, summer is when everything happens: riding bikes down to the lake, watching the fireworks at the Onslow Show and water bomb fights at the sweltering Sunday markets. How did she let her friends talk her into working? After first-shift disasters, rude, wealthy tourists and a taunting ex-boyfriend, Tess is convinced nothing good can come of working her summer away. However, Tess finds unlikely allies in a group of locals dubbed The Onslow Boys, who are old enough to drive cars, drink beer and not worry about curfews. Tesss summer of working expands her world with a series of first times with new friends, forbidden love and heartbreaking chaos. All with the one boy she has never been able to forget. It will be a summer she will always remember. Warning: sexual references, and occasional coarse language. The Summer Series: Book 1: The Boys of Summer Book 2: An Endless Summer Book 3: That One Summer Book 3.5: Ringer (Novella) Book 4: Forever Summer Authors Note: While each title can be read as a stand-alone story, you will likely enjoy taking the journey with these characters from the beginning.
