Von Rexanne Becnel : The Bride of Rosecliffe (The Rosecliffe Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bride of Rosecliffe (The Rosecliffe Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A story of conflict between the Welsh and English invaders.Von Ein KundeJosselyn is a spirited, fiercely patriotic young Welsh heiress. Rand is an English nobleman sent to conquer and subdue the Welsh for the English king. Each fights against their attraction for each other because of their nationalistic origins.I purchased this book because it was highly

recommended by Romantic Times Magazine. However, I was disappointed. The romance angle was overshadowed by the hatred and frequent betrayals. Rand was portrayed as such a tough, unfeeling conqueror that it just didn't seem possible that he would fall in love with anyone, let alone a Welsh girl as patriotic as Josselyn. Sexual attraction, yes. Love, no. On Josselyn's part, falling in love seemed to be a result of their sexual encounters more than anything else. Maybe such a thing might happen to an ordinary woman, but not a strong, spirited young miss like Josselyn. This book could use a lot more romance and a lot less hatred and betrayal. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Fantastic! Von Ein Kunde Ms. Becnel is in top form with this wonderful book. I couldn't put it down. The conflict between Rand and Josslyn kept me on the edge of my seat. How can two enemies ever fall in love? They fight their feelings, but love does win in the end. One of the best books I've read in a long time. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as good as her others Von Ein Kunde I have read three other books by Ms Becnel and loved them. This one was just okay. I would not read it again. I got a little tired of Rand(y)'s almost constant state of arousal when Josselyn was around. Sure he admired her intellect, her loyalty, her spirit, but that lust was almost always the driving force. And Josselyn's constant--I shouldn't want him. He's my enemy. I hate him. But...--got tiresome. If it had not been by Ms Becnel, I might not even have given the book a three. Do I want to bother with the second story? I doubt it. I did not even like the character Rhonwen. Rhys and Jasper seemed okay, but Rhonwen irritated me. I'll try her again, but I'll heed other readers' comments first.

Kurzbeschreibung In a time of strife and treachery, an English nobleman dares to fall in love with the rebellious Welsh beauty he has captured in the name of king and country. Exiled to the wilds of northern Wales as part of King Henry's shrewd efforts to suppress the power of England's noblemen, Randulf FitzHugh prepares for war. He and his army will build a fortress on the ramparts of Rosecliffe, then return to London in triumph. Josselyn ap Carreg Du loathes the English conquerors who are ravaging her homeland. Yet the only way to vanquish the invaders is to unite her people against them by wedding a cruel Welsh warmonger she despises even more. But when the seductive English noble who leads the assault against the Welsh turns the tables by taking her prisoner, Josselyn becomes a pawn in a political power struggle that can have no true victor. As hate flames into unexpected desire, uniting two bitterly divided enemies, Josselyn and Rand must battle a far more formidable adversary: their traitorous hearts. The Bride of Rosecliffe is the 1st book in the Rosecliffe Trilogy, but you may enjoy reading the series in any order.
