Von Elizabeth Thornton : The Bride's Bodyguard before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bride's Bodyguard:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. An entertaining read with both mystery and a great romance!Von L. PonderTessa must leave her grandfather and France, and return to England. She leaves with her grandfather's secretary, Ross. They have had an adversarial relationship.

She is spoiled, and willful. He is strong and bossy; and, he has secrets. Their relationship, will lead to a marriage of convenience. Their marriage of convenience leads to a tempestuous romance. The Bride's Bodyguard starts with a murder, in the very first chapter. You immediately know, that you're reading a special historical. It is one that has a mystery, a slow-developing love story, and quite a few supporting players. Each player is well defined. Each, has a role in the mystery, as well as in the romance. Tessa and Ross are beguiling leads. Tessa is both childish and mature, while being a strong heroine. Ross is the enigmatic, tortured (with good reason) hero. Their love scenes together, are sexy, and wonderfully written. This is a complete read, for me. It is a book, that has all the ingredients I need, in a romance. It has a great plot, strong leads, a good supporting cast, and sexy love scenes.

0 von 0 Kunden fanden die folgende Rezension hilfreich. A suspenseful, gripping yet poignant love story for all time
Von Lena Diaz (tdf04@alltel.net) I compare every book that I read to books from best selling author Kathleen E. Woodiwiss. This one not only compares well, it competes and holds its own! Beautifully written with a twisting, surprising and suspenseful plot. This story has depth...the characters are well developed and three dimensional. I particularly was impressed and touched by the way Ross's relationship to his late wife, Cassie, is honored and respected even though he is drawn to Tessa. His love for Tessa is not diminished by his love for Cassie, rather it is enhanced by it. We understand how Ross's first relationship made him the way he is today and why he reacts the way he does in romantic situations. We also follow Tessa's development and can feel her humiliation and embarrassment at the beginning of the novel as she goes through an awkward growing up period in her life. We can empathize as we look back on our own lives at that stage. And as Ross and Tessa's lives become inextricably linked, we grow with them as their relationship changes. True character development here!!! I truly loved this book and look forward to re-reading it many times in the future.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Elizabeth Thornton best book. I loved it.
Von Ein Kunde I loved the book and enjoyed it very much. I also loved the characters The only thing that frustrated me was that I have just finish to read 300 pages in which Ross lied to Tessa, deceived and cheated her, and in general treated her like a stupid, untrustworthy little girl. The amazing thing was that it took her less then 5 pages to forgive him. Come on !! Get real !!!

Kurzbeschreibung With his striking good looks, Ross Trevenan was one of the most attractive men Tessa Lorimer had ever seen. But five minutes in his company convinced her he was the most arrogant, infuriating man alive. That's why it was such a shock to discover Trevenan's true purpose: hired to escort her out of Paris and back to England, he had sworn that he'd do anything to keep her safe--even if he had to marry her to do it. Now, finding herself a bride to a devastatingly attractive bodyguard seems more hazardous than any other situation she could possibly encounter. Yet Tessa doesn't know that she holds the key to a mystery that Trevenan would sell his soul to solve...and that a vicious murderer will kill to keep.

Pressestimmen "A major, major talent...[a] superstar." Rave s "I consider Elizabeth Thornton a major find." bestselling author Mary Balogh The author of the national bestseller Dangerous to Hold, Elizabeth Thornton once again combines intoxicating passion with spellbinding suspense....
