Von Regina Scott : The Bride Ship (Mills Boon Love Inspired Historical) (Frontier Bachelors, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bride Ship (Mills Boon Love Inspired Historical) (Frontier Bachelors, Book 1):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. 4.5 stars! This author rocks! Von Detra Fitch Our story begins January 16, 1866, at Pier 2, New York Harbor. Allegra Banks Howard is now a widow with a four-year-old daughter named Gillian. Allegra refuses to be the woman the Howards expect her to be and she absolutely will not allow Gillian to be molded into what the Howards will demand and then to be forced to marry and to live at the whim of the prominent family. To keep this from happening, Allegra and Gillian snuck out of the Howard mansion in Boston two weeks prior. The pair joins Asa Mercers expedition along with several other women. Their destination is Seattle, where women are needed and they would have a chance to begin their lives anew. Six years ago Clayton Clay Howard decided to leave society and head west. He had wanted Allegra to go with him. She refused and ended up marrying his brother. Having recently heard of his brother's death, Clay returns and follows Allegra to the New York Harbor. But his Allegra has changed and she refuses to return to Boston; therefore, Clay decides to travel with her. Allegra needs Clays wilderness savvy, but she refuses to rekindle what they once shared. Too bad her heart disagrees. ***** FOUR A HALF STARS! Most of this story takes place aboard ship. Allegra Allie has two friends that she becomes close to. I dearly hope to see Madeleine and Catherine get their stories told in the near future. (By the way, I enjoyed the tales Clay told the ladies about the beautiful, but dangerous, lands they would see.) The author not only paints vivid sceneries for her readers, but also fully develops her characters. I came to care for several and hated to see the story end. I never wanted to slap sense into a character for stupidity. Regina Scott is above writing such nonsense or insulting the intelligence of her readers. I believe this is why I always get excited whenever I spot a new Regina Scott title in the book stores. This author R-O-C-KS! ***** Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung SWEETHEART REUNION What was his brother's widow's first love doing on a ship full of prospective brides headed out West? Clay Howard had been tasked with escorting the Boston belle home, but he didn't anticipate Allegra being so strong-willed or that he'd wind up traveling with her just to keep her from leaving without him! Allegra Banks Howard isn't going to let Clay interfere with her plans for a new life with her daughter on the frontier. True, Allegra needs his wilderness savvy, but if Clay thinks he can rekindle what they once shared, he had better think again. Because risking her heart for a second chance at being his bride isn't something she'll undertake lightly. den Autor und weitere Mitwirkende Regina Scott started writing novels in the third grade. Thankfully for literature as we know it, she didn't actually sell her first novel until she had learned a bit more about writing. Since her first book was published in 1998, her stories have traveled the globe, with translations in many languages including Dutch, German, Italian, and Portuguese. She and her husband of over 25 years reside in southeast Washington State.
