Von Helen Fielding : The Bridget Jones Omnibus: The Singleton Years: Bridget Jones's Diary The Edge of Reason (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bridget Jones Omnibus: The Singleton Years: Bridget Jones's Diary The Edge of Reason (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A fantastically enjoyable read.Von expatI love helen Fielding's book. I have read the bridget Jones books before ,but thoroughly enjoyed reading them again.The books are about ( in case you have never read them) a woman in her early 30s ,overweight and trying to find true love.They are written in a diary -style and ,anyone who has ever battled with weight loss or finding true love will feel real empathy with the main character.Very funny !Woke my husband many times laughing out loud.Am reading the last in the series Mad about the Boy,enjoying it immensely and will write comment when finished.0 von 0 Kunden fanden die folgende Rezension hilfreich. Shockingly relatable!Von Loud PagesI never got the hype around Helen Fielding's books - because I hadn't read them. Now that I have, I've caught the Bridget Jones fever. Very well-written, funny, witty and surprisingly deep sometimes. Shockingly relatable as well.

KurzbeschreibungA dazzling urban satire of modern relationships? An ironic, tragic insight into the demise of the nuclear family? Or the confused ramblings of a pissed thirty-something?Two diaries, two enduring bestsellers, one unforgettable character. Bridget Jones: The Singleton Years brings together Bridget Jones's Diary and The Edge of Reason. Helen Fielding portrays Bridget, everyone's favourite spinster, as she struggles through the social minefield of her thirties and tries to weigh up the eternal question: Daniel Cleaver or Mark Darcy? She is supported through the whole process by four indispensable friends, Shazzer, Jude, Tom and a bottle of Chardonnay.Bridget Jones's Diary was first published in 1996 and applauded by critics from Salman Rushdie to Jilly Cooper. A number-one bestseller, Helen Fielding's book has sold over fifteen million copies worldwide and has been turned into an Academy Award-nominated film series starring Rene Zellweger, Colin Firth and Hugh Grant.PressestimmenI cannot recommend a book more joyfully . . . hilariously funny, miraculously observed, endlessly touching. (Jilly Cooper)The best, the original, the seminal. (Mail on Sunday)Observed with merciless, flamboyant wit . . . gloriously funny. (Penny Perrick Sunday Times)A brilliant comic creation. Even men will laugh. (Salman Rushdie)Effortlessly addictive . . . presents a perfect zeitgeist of single female woes. (Sunday Express)A brilliant evocation of the life of a single girl . . . any woman who has ever had a job, a relationship or, indeed, a mother, will read it and roar. (Gill Hornby The Times)WerbetextMeet Bridget, the original Singleton, as she records her hopes, dreams and Chardonnay consumption. Two bestselling diaries are brought together in The Singleton Years.
