**Von Bart Yates : The Brothers Bishop** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Brothers Bishop:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very intense and emotional story.Von LenaRibkaI totally lost myself in this book, all the boundary between WRONG and RIGHT, all my understandings and beliefs about RIGHT and WRONG becomes blurred. I don't want to have long discussions about philosophy of life, but this book made me question some very serious subjects.One week of one hot

summer that will change everything. One week and a whole life. The Brothers Bishop is a soulful moving and emotional story. I cried me a river at the end, but I LOVED IT to pieces. This book will stay with me forever! It was not just a book, it was a new reading experience!

Kurzbeschreibung Tommy and Nathan Bishop are as different as two brothers can be. Carefree and careless, Tommy is the golden boy who takes men into his bed with a seductive smile and turns them out just as quickly. No one can resist him--and no one can control him, either. That salient point certainly isn't lost on his brother. Nathan is all about control. At thirty-one, he is as dark and complicated as Tommy is light and easy, and he is bitter beyond his years. While Tommy left for the excitement of New York City, Nathan has stayed behind, teaching high school English in their provincial hometown, surrounded by the reminders of their ruined family history and the legacy of anger that runs through him like a scar. Now, Tommy has come home to the family cottage by the sea for the summer, bringing his unstable, sexual powder keg of an entourage--and the distant echoes of his family's tumultuous past--with him. Tommy and his lover Philip are teetering on the brink of disaster, while their married friends, Camille and Kyle, perfect their steps in a dance of denial, each partner pulling Nathan deeper into the fray. And when one of Nathan's troubled students, Simon, begins visiting the house, the slow fuse is lit on a highly combustible mix. During a heady two-week party filled with drunken revelations, bitter jealousies, caustic jabs, and tender reconciliations, Tommy and Nathan will confront the legacy of their twisted family history--their angry, abusive father and the tragic death of their mother--and finally, the one secret that has shaped their entire lives. It is a summer that will challenge everything Nathan remembers and unravel Tommy's carefully constructed facade, drawing them both unwittingly into a drama with echoes of the past. . .one with unforeseen and very dangerous consequences. "There are undercurrents of tragedy and emotional scarring at work that take the story to disturbing places. . .Yates puts his novel together like a one-two punch and makes it readable. . .you can't put it down." --Edge Magazine

Pressestimmen "With Leave Myself Behind, Bart Yates gives us both the laugh-out-loud and refreshingly sincere coming-of-age story we've been missing all these years." Kurzbeschreibung Tommy and Nathan Bishop are as different as two brothers can be.
