**Von Louise Penny : The Brutal Telling: A Chief Inspector Gamache Mystery, Book 5** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Brutal Telling: A Chief Inspector Gamache Mystery, Book 5:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Louise Penny lsst nicht nachVon AnonymusWir befinden uns wieder in dem uns schon gut bekannten kanadischen Drfchen '3

Pines'. Die Idylle wird gestört, als in dem beliebten Bistro ein Toter gefunden wird. Es stellt sich heraus, dass dieser schon lange in der Nähe des Dorfes gewohnt hat. Die Mordersuche führt Armand Gamache über viele Irrwege zu einer Lösung, mit der keiner glücklich ist, weder die Dorfbewohner noch der Leser, aber dazu will ich nicht mehr verraten. Der Stil ist poetisch wie immer mit literarischen Anspielungen und trägt damit zur Spannung bei. Hoffentlich gibt es bald mehr davon. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr spannend und mit viel Atmosphäre. Von Thoralf Bock Ich habe bisher alle Bücher von Louise Penny mit Gamache als Kommissar gelesen und fand auch dieses wieder sehr spannend und mit viel Atmosphäre geschrieben. Man kann sich richtig in das gemtliche Dorf Three Pines reindenken und auch die Charaktere sind gut beschrieben. Wieder ein spannendes Ende und gemtliches Lesevergnügen, diese Autorin kann ich sehr empfehlen!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Louise Penny in Höchstform, Von illiterate weil sie wieder in "Three Pines" ermittelt. It und ihre Erzählkunst mit Poesie wirken. Im Gegensatz zum Vorgängerbuch "Rachefest" sind ihre Protagonisten nun wieder glaubwürdig und echt. Die Handlung ist spannend, man wird über Kanadas Geschichte und Ureinwohner informiert und Gamache macht wieder alles richtig. Lesespaß pur!

Kurzbeschreibung The New York Times Bestseller 'Penny . . . is at the top of her game' (Toronto Star) When Chief Inspector Gamache arrives in picturesque Three Pines, he steps into a village in chaos. A man has been found bludgeoned to death, and there is no sign of a weapon, a motive or even the dead man's name. As Gamache and his colleagues start to dig under the skin of this peaceful haven for clues, they uncover a trail of stolen treasure, mysterious codes and a shameful history that begins to shed light on the victim's identity - and points to a terrifying killer... Pressestimmen Penny has been compared to Agatha Christie, [but] it sells her short. --"Booklist" (starred review) An intricate, almost mythic plot, superb characters, and rich, dark humor. "--People" Magic . . . [with] an elegance and depth not often seen." --The New York Times Book "If you don't give your heart to Gamache, you may have no heart to give." --"Kirkus s" (starred review) A treat for the mind and a lesson for the soul, this is a novel full of surprises.--"Richmond"" Times-Dispatch"" Penny has been compared to Agatha Christie, [but] it sells her short." --"Booklist" (starred review) "An intricate, almost mythic plot, superb characters, and rich, dark humor." "--People" "Magic . . . [with] an elegance and depth not often seen." --The New York Times Book ""If you don't give your heart to Gamache, you may have no heart to give." --"Kirkus s" (starred review) "A treat for the mind and a lesson for the soul, this is a novel full of surprises." --"Richmond"" Times-Dispatch" Penny has been compared to Agatha Christie, [but] it sells her short. "Booklist (starred review)" An intricate, almost mythic plot, superb characters, and rich, dark humor. "People" Magic . . . [with] an elegance and depth not often seen. "The New York Times Book " If you don't give your heart to Gamache, you may have no heart to give. "Kirkus s (starred review)" A treat for the mind and a lesson for the soul, this is a novel full of surprises. "Richmond Times-Dispatch" It's Penny's most ambitious novel to date, adding much to our knowledge of the continuing characters and creating a framework of myth that lends structure to the tale eloquent prose and amazingly complex characters. "Denver"" Post" In this fifth installment of Louise Penny's wonderful series, she keeps things fresh by making a beloved member of her core cast, Olivier Brule, a suspect in the death of a recluse found dead on the floor of Olivier's own bistro Penny blends poetry, ciphers and history in all its brutal telling with the usual mouthwatering bistro meals and the quirky villagers to continue one of the best series out there today. "Charlotte Observer" If you've yet to meet the fascinating Chief Inspector Armand Gamache, who has starred in four previous novels, this book is a good place to start. The plot, like the man, is intelligent and never boring. Penny has crafted another complex mystery with twists at every turn of the page. "RT Book Magazine" As in her previous four Inspector Gamache mysteries, Penny grafts a suspenseful whodunit onto her sketch of the whims and mores of Three Pines small population. "Quill and Quire" little treasures are scattered throughout THE BRUTAL TELLING and all the other books as well. I dare anyone to say that this isn't literary fiction. But even more, this is poetry. "Mystery News" Though Gamache is undeniably the focus, Penny continues to develop her growing cast of supporting characters, including newcomers Marc and Dominique Gilbert, who are converting an old house-the site of two murders-into a spa. Readers keen for another glimpse into the life of Three Pines will be well rewarded. "Publishers Weekly" (starred review) Having won numerous mystery prizes, including the prestigious Arthur Ellis and Anthony awards for her debut, "Still Life," Canadian author Penny has only gotten better with each succeeding novel. Her fifth in the series is the finest of all. Featuring series protagonist Chief Inspector Gamache, this literary mystery explores the ways in which sins of the past have a way of resurrecting themselves, wreaking havoc upon their perpetrators, and, unfortunately, the innocent. Thus, when a hermit is slain in the woods near an isolated village in rural Quebec, secrets surface, unmasking characters who have adopted benign personae to conceal their questionable past deeds. Fortunately, sagacious Gamache possesses the acumen to peel away the layers of deceit and to expose the truth. This superb novel will appeal to readers who enjoy sophisticated literary mysteries in the tradition of Donna Leon. "Library Journal" (starred review)" Penny has been compared to Agatha Christie, [but] it sells her short. Booklist (starred review) An intricate, almost mythic plot, superb characters, and rich,
