Von Daniel Polansky : The Builders before purchasing it in order to gage whether or not it would be worth my time, and all praised The Builders:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. great little readVon R.L. RobinsonGreat little read from Polansky. Witty, violent and page turning action. I haven't been so

invested in the trials of a group of animals since *Watership Down*. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amateur Von Ben Finnigan I like DP, but I guess this was early work, the writing was basic to say the least and the story didn't flow.

Kurzbeschreibung A missing eye. A broken wing. A stolen country. The last job didn't end well. Years go by, and scars fade, but memories only fester. For the animals of the Captain's company, survival has meant keeping a low profile, building a new life, and trying to forget the war they lost. But now the Captain's whiskers are twitching at the idea of evening the score. PRAISE FOR THE BUILDERS "A living, breathing world of vivid, winsome characters hellbent on their blaze of glory and as unforgiving as a runaway train carrying all your friends over a cliff. I haven't cared about animals this much since *Watership Down*." Delilah S. Dawson, author of *Hit and Wicked as They Come* "Nobody does dark like Polansky. The Builders is *Redwall* meets *Unforgiven*, combining the endearing wit of Disney's *Robin Hood* with all the grit and violence of a spaghetti western." Myke Cole, author of the *Shadow Ops* series "If Sam Peckinpah and Brian Jacques had a strange peyote ritual and shared a collective dream, it might look something like this. Brutish, nasty, short much like life Polansky's *The Builders* is also funny, exciting, and extremely original. The *Wild Bunch* meets *Watership Down*." John Hornor Jacobs, author of *The Incorruptibles* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Pressestimmen "Polansky employs a style that's knowing and sly, a little tongue-in-cheek but deadly serious; it's as though Brian Jacques and Quentin Tarantino went drinking one night... a violently compelling story." - *Publishers Weekly* "Bawdy and sometimes bleak, but most outrageous." - *Locus* "Bloody and dark... This is a story of loyalty, trust, backstabbing, betrayal and obsession and how, ultimately, it's always easier to tear things down than it is to create. The Builders is a story of gang warfare but as you've never read gang warfare before. 5/5" - *Geek Syndicate* "Polansky employs a style that's knowing and sly, a little tongue-in-cheek but deadly serious; it's as though Brian Jacques and Quentin Tarantino went drinking one night... a violently compelling story." - *Publishers Weekly* "Bawdy and sometimes bleak, but most outrageous." - *Locus* "Bloody and dark...
