TiresomeVon HelenAbsolutely agree with other reviews. I haven't finished the book yet, but was interested to see if I was the only one skipping pages? There is a great lack of dialogue, and constant and I mean constant description already written time and time again!!! I will finish it, but I name this book, one of the most irritating I have ever

Kurzbeschreibung THE BUSINESS by Sunday Times No.1 bestseller Martina Cole is an unflinching novel that exposes a world that many would rather ignore. The 'undisputed queen of crime writing' (Guardian), Martina's unique, powerful storytelling will appeal to fans of Karin Slaughter and Patricia Cornwell. Imelda Dooley has made a big mistake. Pregnant, alone and scared, she starts down a trail of lies and destruction that will wreck the lives of all who try to love her. As Imelda brings her daughter Jordanna into the world, followed by her son Kenny, she takes them with her into the dark underworld of drugs, prostitution and violence. But all actions have consequences. The only question is, who will face them?
