Von Tom Lowe : The Butterfly Forest (Sean O'Brien Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Butterfly Forest (Sean O'Brien Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfekt fr Florida-Fans, die gerne Krimis lesenVon urs53Ich habe Tom Lowe tatschlich ber Facebook kennengelernt und das erste Buch aus Neugier bestellt. Als begeisterte Krimi-Leserin kenne ich viele amerikanische und europische Autoren. Tom Lowes Bcher begeistern mich durch ihre Handlung und ihre Beschreibung von Florida. The Butterfly Forrest hat

mich wie seine anderen Bücher in seinen Bann geschlagen. Für mich eine absolute Empfehlung für alle, die Krimis und Florida mögen. Zur deutschen Übersetzung kann ich nichts sagen, ich lese im Original. Zum Glück, sonst wären mir die Bücher bisher entgangen!

Kurzbeschreibung He hid the old pencil-drawn map for 40 years. The guards never found it. After 40 years in San Quentin, Luke Palmer leaves with a state-issued suit, \$100 dollars to buy a bus ticket, and a map that will lead to a promise and into the heart of a dark forest. "The Butterfly Forest is a high-octane thriller that is part mystery, part love story, and full bore great storytelling that you'll think about days after you've left the woods." - John Davenport (Orlando, FL) College graduate student Molly Monroe is about to release rare butterflies not far from where the FBI used 4,000 bullets in a shootout to kill Ma Barker and one of her gangster sons in 1935. Molly snaps a picture that will frame something she never sees coming. Sean O'Brien does see something -- a predator. Between the sea of cars in a Walmart parking lot. Walking quickly. Stalking two women. As O'Brien tries to prevent the abduction, he opens the door to a new relationship. And he opens a dark door to a horror that is secluded within the forest. He follows veiled tracks that lead him farther into the woods where an evil from the past intersects with a frightening presence to form a volatile trap with only one way out. "ABSOLUTELY MESMERIZING!!!!!" - Anthony B. Thomas (Louisville, KY) "If you like the works of writers like Lee Child, Robert Crais, James Lee Burke and Michael Connelly, you'll enjoy Tom Lowe's THE BUTTERFLY FOREST." - Aaron Winters (Miami, FL) **Kurzbeschreibung** He hid the old pencil-drawn map for 40 years.
