KurzbeschreibungBook one of Louise G. White's young-adult contemporary fantasy 'Gateway' series. #1 Best Seller Urban Fantasy!2017 Readers' Favorite Gold Medal for YA Urban fantasy2016 New Apple Summer eBook Solo Medalist for YA FantasyOn the run and hiding from the suits, Carolyn's life is far from straightforward. After her mother and brother go missing in a most extraordinary way, (through a hole to another world which appears in the kitchen wall!), she is determined to track them down and bring them home. But life is never that easy! Rescued and protected by a group of unusual and likeminded people, Carolyn hones her magic and fighting skills. Whilst answering a call to retrieve a human from another world she's faced with a quick decision and ends up bringing a demon back with her. Little did she know what effect this demon would have on her. Praise for The Calling: Gateway series #1 "There is wonderful exploration of the depth of the characters and it won't be hard for readers to enjoy the emotional and psychological growth of the protagonist. Here is a story that is beautifully told in excellent and eloquent prose. It is a story that will take fantasy fans to places they'll love." Romuald Dzemo (Readers' Favorite) When you think of magic, mages and demons let me guess Harry Potter or Buffy The Vampire Slayer springs to mind, am I right? Well this isn't a television show or movie you can safely view from home or you can hit pause when the scenes get scary. No this is my life, imagine a doorway leading to another realm or planet appearing. Just like in Stargate SG-1 minus all the fancy lights and armed Marines. Every time the gate opens something explosive happens forcing me to answer its call. Just like with any door demons, monsters and other Otherworlders comes out and not all of them are very friendly. Who am I you ask? To my friends I'm Carolyn McNally. To my enemies, I'm known as the Destroyer! Christine (.com) YA urban fantasies have been the thing for the last few years. However, The Calling is an original spin on an old otherworldly tale. It's a great read with an ending that will make you demand more. A. E. Albert (.com) There was lots of excitement, danger and the cliff-hanger at the end was inspired. OnSpecials (.com) I recommend this novel to anyone who loves sci-fi fantasy or just enjoys a fast read. Kindle customer (.com) The Calling is a thrilling debut from an author I'm excited to read more from, to which I recommend to all lovers of YA fantasy. Anna ( uk) "The Calling, by Louise G.
