Von W.E.B. Griffin : The Captains: 2 (Brotherhood of War) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Captains: 2 (Brotherhood of War):

While the entire Brotherhood of war series is a spectacular blend of military action, espionage, and drama The Captians is the pinnacle of the series. The life of Lowell sees so many ups and downs in this book it would make most men fall apart but Griffin portrays these situations so realistically that I couldn't help but feel I was right there and feeling the emotions running through me. The key here is believability and W.E.B. comes through with flying colors. Well Done. Do yourself a favor and read this series, and make sure you take your heart medication before reading this particular book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Hauptmnnner und andere OffiziereVon kyrdis1950

beginnt der Koreakrieg und die Captains Lowell und Sheridan, sowie einige andere alte Freunde, werden dorthin geschickt. Wir begleiten sie bei den Kämpfen gegen den Feind - und gelegentlich gegen das System. Trotz einer großen Anzahl an Hauptpersonen liegt der Schwerpunkt hier wieder stark auf Craig Lowell, was kein Fehler ist. Er ist exakt so, wie wir unsere Helden wollen: charmant, rebellisch, tollkühn und saufrech. Und, ebenso wie die anderen, weitab von einem Reibrett entstanden. Neben der spannenden und abwechslungsreichen Handlung sind die Charaktere definitiv Griffins größte Stärke. Ich freue mich darauf, sie im nächsten Band wiederzutreffen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. The Captains Von Ein Kunde This was the best book in the series. W.E.B. Griffin's most interesting character of the whole series has got to be Craig Lowell. The book was quite realistic and emotionally thrilling.

Kurzbeschreibung It was more than an incident. It was a deadly assault across the 38th parallel. It was the Korean War. In the fear and frenzy of battle, those who had served with heroism before were called again by America to man the trenches and sandbag bunkers. From Pusan to the Yalu, they drove forward with commands too new and tanks too old: brothers in war, bonded together in battle as they had never been in peace... Synopsis This sequel to "The Lieutenants" is the second novel of seven in W.E.B. Griffin's "Brotherhood of War" series, a saga which tells the interrelated stories of four soldiers in battle, stretching in time from the Korean War to the present day.
