Erotische Fantasy-Fortsetzungsgeschichte Von Vio Lord Asher of Kaldstein bernimmt das Verhr einer gefangen genommenen Spionin, die fr die Freiheit ihres unterdrckten und von der herrschenden Klasse verachteten Volkes kmpft. Entgegen aller Erwartungen ist er berrascht von der Schnheit und Gewitztheit seiner Gefangenen, die er einer erotischen Folter" aussetzt. Als sein Vater die Hinrichtung der Spionin fordert, muss Asher sich zwischen Pflicht und Gefhl entscheiden ...Nachdem ich schon viele enttuschende BDSM-Geschichten gelesen habe, war ich nicht sicher, was mich bei dieser Fortsetzungsgeschichte von Gwendoyln Wilde erwartet. Nach dem Lesen war ich positiv berrascht, denn selbst unter den BDSM-Romanen, die das Motto "Safe, sane consensual" vermeintlich ernst nehmen, habe ich viel Schlimmeres gelesen, das ich schlicht und ergreifend als Missbrauch empfunden habe. Anders in diesem Fall. Hier fhlt sich ein Mann von einer ihm ausgelieferten Frau angezogen, doch obwohl sie seine Gefangene ist, habe ich das, was zwischen den beiden passiert, nicht als Missbrauch empfunden. Geschrieben ist die Geschichte relativ schlicht, doch ich mochte die Hauptprotagonisten. Asher ist ein typischer Alpha-Mann, zugleich dominant und beschtzend. Eva hat eine starke, unnachgiebige Persnlichkeit, allerdings erfahren wir im ersten Teil nicht viel mehr ber sie, als dass sie schn und stur ist. Zum Schluss noch einige Worte zum Preis: Ich finde, dass der Preis (zur Zeit 2,68 pro Buchteil) fr die jeweils rund 20 Seiten zu hoch angesetzt sind, vor allem wenn man bedenkt, dass viele E-Bcher mit der drei-, vier-, fnnfachen Seitenanzahl oft nur die Hlfte kosten. Die Reihenfolge: 1. The Captured Spy (Part I: Bound and Interrogated) (Reluctant BDSM Domination Erotica) (English Edition) 2. The Captured Spy (Part II: Treason and Fealty) (Reluctant BDSM Erotica) (English Edition) 3. The Captured Spy (Part III: Two to Tame) (Reluctant BDSM Menage Erotica) (English Edition)

Kurzbeschreibung Warning: this is a 5,000-word erotic fantasy short story, containing descriptions of bondage, dubious consent sex, male dominance, and orgasm denial, and is for adult readers only. A spy, my lord. They had her slender arms gripped tight. Her hands were tense, fisted. She was taut and lithe as a sapling. I cocked my head, intrigued. The girl is beautiful and defiant and an enemy and Lord Asher of Kaldstein wont let anyone question her but himself. Asher will find a way to make her tell her secrets, using her own desires against her. The sight of her splayed out nearly naked made me stiff. She lay back in her bonds, her skin luxuriant in the torchlight. But even after he torments her with pleasure in the dim dungeon, Asher finds that his lusts arent nearly sated, and he has her brought to his chambers. I let her hang there, while I worked. I dipped my quill in its vial, spreading wet ink over parchment. She was a fine distraction. I got up and approached her again, lured to that helpless feminine form. I whisked the feathery edge of the quill across her skin. She quivered. I brushed it across her tender stomach, watching her skin twitch and spasm with the sensation. But the more fond Asher becomes of his new pet, the more he lets his guard down. Can he trust her, or will she find a way to escape her chains and turn the tables on him?
