of the horrified heirs Von Anitha John Erle Stanley Gardner is a master at weaving a web of suspense around his readers. Like all the other Perry Mason books, this one too, holds your interest till the last pages. It is very difficult to guess at the identity of the murderer in his books, which of course contributes to the fun.

Kurzbeschreibung Virginia Baxter is the only witness still living who can vouch for the authenticity of Laretta Trent's will. Laretta Trent, a wealthy widow is also living. But for how long? Someone has been peppering the spicy food Laretta loves with arsenic. Could it be the same someone who tried framing Virginia Baxter for drug smuggling? Laretta Trent doesn't trust her greedy heirs. But could a scheming servant be behind a master plan to fleece her estate? It all seems to fit. But when Laretta is murdered on the highway, all the evidence places Virginia Baxter squarely in the driver's seat. Confused? Just think how Virginia's lawyer, Perry Mason, must feel...
