Von Elin Hilderbrand : The Castaways (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Castaways (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Roman, der schtig machtVon DorotheaIch habe bereits mehrere Bcher der Autorin gelesen, aber dieses Buch finde ich mit Abstand am besten. Es spielt wieder an der Ostkste, wie viele ihrer Romane und erzht die tragische Geschichte von Tess und Greg, die bei einem Bootsunglck ums Leben kommen. Nach und nach entschlselt sich der wahre Hintergrund des Todes. Die Spannung bleibt bis zum Schluss erhalten, da sich die Handlung wie ein Puzzelteil aus Erzhlungen der Protagonisten zusammenfgt.Toll fand ich auch die Sommeratmosphre, die in diesem Buch

eingefangen ist. Man merkt, dass die Autorin am Schauplatz lebt.

Kurzbeschreibung They hadn't known, then, what was coming. They didn't know about September 11th, they didn't know about miscarriages and love affairs, they didn't know about a girl named April Peck. They didn't know they were going to die. Back then, they had been happy.' From the outside, the close-knit circle of friends calling themselves 'the Castaways' share an idyllic lifestyle on the charming island of Nantucket, blessed with money, children, beauty and love. But when Tess and Greg are killed in a tragic boating accident, orphaning their seven-year-old twins, it sends devastating shockwaves through the rest of the group. As the friends grieve, the truth behind their relationships gradually begins to emerge in a chain of staggering revelations. And for the first time they are forced to ask the hardest of questions. Can you live without the person who made you whole? And how do you mourn for a secret lover and a relationship nobody knew existed? An utterly absorbing novel exploring the tangle of secrets and lies that can lurk beneath even the closest of relationships ...
