This book and the others of this series that I have read so far have been so much fun. It is an ongoing story. It is a story in a story. I do not have pets, but I almost want to get a Siamese cat or two. Both of my kids are into them, too. I grew up with Nancy Drew and the Hardy Boys. It is the next generation of fun decent mystery series.

I loved this book! I won't say too much because I don't want to spoil it for those of you who haven't read it yet, but I thought it was an excellent plot. I like how it involves an important family like the Goodwinters, and how Polly was introduced into the series. I always thought Qwill needed a steady girl.

Once again Koko the cat solves another crime, but this book was not an exciting page-turner as some of her previous books. It was a good story and definitely gives you more character development as the series continues, but the exciting mystery hardly seemed there. I found myself not even caring whether Qwill solved the crime or not.
If you are interested in reading the entire series by Braun, then I would suggest reading this book just for the smooth flow of the series. But if you are just looking for a good mystery to read, I would suggest skipping this one and finding one of her other books, such as "The Cat Who Saw Red."

Kurzbeschreibung
Murder most meow... Lilian Jackson Braun brings us another delightful tale of crime and cats in *The Cat Who Knew Shakespeare*, in which her unlikely detective team hunt out a murderer. Perfect for fans of cosy crime and clever cats.
'Entertaining and absorbing mysteries which, in the tradition of all good whodunits, keep you guessing right to the end' - Dumfries and Galloway Standard
In the small town of Pickax an accident has claimed the life of the local paper's eccentric publisher, but to Jim Qwilleran and his Siamese cats Koko and Yum Yum it smells like murder. They soon sniff out a shocking secret - but Koko's snooping into an unusual edition of Shakespeare may prove catastrophic. Because somewhere in Pickax a lady loves not wisely but too well, a widow is scandalously merry, and a stranger has a lean and hungry look. The stage is set for Qwilleran, Koko, Yum Yum and the second act of murder most meow...
