**Von C.J. Butcher : The Celebrity and The Small-Town Girl (The Celebrity Series) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Celebrity and The Small-Town Girl (The Celebrity Series) (English Edition):

it a go. The book was ok. I was disappointed to find that it was not as funny as I had hoped. The main character is clumsy, which I guess is where the "humour" comes from. But the story line is predictable, and the characters never face any real problems that they have to overcome. In particular, the heroine does not have to "grow" in any way, which I found disappointing. The guy simply decides to come live in her town - the end. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Witzig, witzig, witzig... Von SilviaIch habe dieses Buch umsonst heruntergeladen und war wirklich positiv überrascht. Obwohl die Geschichte für meinen Geschmack etwas zu christlich angehaucht ist (daher auch nur vier Sterne und keine fünf), ist sie doch ganz nett und die Autorin schreibt so witzig, dass es eine wahre Freude ist, dieses Buch zu lesen. Ich kann es daher eigentlich nur weiterempfehlen!
