KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I'm so in love with this series! Von Cassandra5 million beautiful stars for this novella about Nathaniels and Abbys wedding and honeymoon! \*sighs\* This was the perfect wedding and honeymoon for them both! It fit them so well! A big wedding

like Jackson and Felicia would have been wrong. This was just right. But what the ever loving mind was Abby thinking about this one month abstinence??? LOL That was really the icing on the cake! SO much fun! Once again it was great writing by Tara Sue Me. Was so captivated with the characters and the stories. I'm so in love with this series and can't get enough. Characters you can identify with, a life that's so everyday life you find in very few books. The constant changes and compromises you have to make to live the D/s lifestyle. I'm so looking forward to April 2015!

Kurzbeschreibung First is the romantic wedding. Then comes the highly anticipated honeymoon that's almost too hot to believe... Fans of E. L. James, Sylvia Day, Maya Banks and Beth Kery will be enthralled by New York Times bestselling author Tara Sue Me's enticing, tantalizing Submissive series. Submitting her body was only the beginning. Abby King didn't know true passion until she gave herself to Nathaniel West, one of New York City's most eligible bachelors and desired Dominants. Now, on the eve of her marriage, she realizes all her dreams are coming true. And with a romantic honeymoon getaway planned at a secluded Swiss chalet, she's sure Nathaniel will find even more fantasies to fulfill... Nathaniel never thought he'd settle down until Abby broke down his barriers and changed his plans. With their wedding only weeks away, he can barely wait to possess her completely - heart, body, and soul - and show her the true meaning of being both a wife and a submissive. Only Abby has one more challenge in store before she becomes his: no sex and no collar for one month before the wedding. Nathaniel is willing to give it a shot but he has one scandalous stipulation - once that month is up, anything goes... Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive... Indulge in the series that started it all: The Submissive, The Dominant, The Training, The Chalet, The Enticement, The Collar, The Exhibitionist and The Master.
