Von Joann G. Layne : The Champagne Slipper (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Champagne Slipper (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Real Page- Turner Von Ein Kunde Although fiction by definition, VERY close to reality. Having been one of the Silicon Sisters I have seen the fun and the sadness. Joann has captured this side of NYC nightlife squarely. A real page-turner from rage, to laughter, to near tears the characters come alive. Sadly some end too. Loved the book. If you have ever saw this side of life, and made another pass around the block YOU'LL LOVE THIS BOOK. I did.

Kurzbeschreibung The Champagne Slipper brings the reader into the world of transvestites and transsexuals. Meet Lita, the silicone body queen, who heaps revenge on all who cross her; Ms. Honey Babe, prostitute and streetwalker with a different plan; and the doctor who falls victim to his own greed and lust. Belinda, his young, beautiful, girlfriend, proves to be greedy, prejudiced, and devious. Jolena, his loyal, compassionate assistant, discovers her loyalty was mistaken for stupidity, while Marsha, whose only desire is to become a total man, is destroyed. These and many other unforgettable characters are both amusing and sad and will keep the pages turning.
