Von Brom : The Child Thief: A Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised The Child Thief: A Novel:

KurzbeschreibungThe acclaimed artist Brom brilliantly displays his multiple extraordinary talents in The Child Thiefa

spellbinding re-imagining of the beloved Peter Pan story that carries readers through the perilous mist separating our world from the realm of Faerie. As Gregory Maguire did with his New York Times bestselling Wicked novels, Brom takes a classic childrens tale and turns it inside-out, painting a Neverland that, like Maguires Oz, is darker, richer, more complex than innocent world J.M. Barrie originally conceived. An ingeniously executed literary feat, illustrated with Broms sumptuous artwork, The Child Thief is contemporary fantasy at its finest casting Peter Pan, the Lost Boys, even Captain Hook and his crew in a breathtaking new light. Pressesstimmen Ancient magics combine with feral logic to culminate in Broms The Child Thief. A retelling of Peter Pan spanning Americas earliest, magically rich beginnings to todays bare whispers of belief. Wickedly poetic, The Child Thief makes me want to believe. (Kim Harrison) Brom has always been an artist who gave us his nightmares fully realized, but with THE CHILD THIEF, he paints in words. A wonderfully nasty Peter Pan reboot that stands on its own as a dark, twisted adventure. (Christopher Golden) A gruesome and darkly fantastical twist on a classic tale. Brom injects pure horror into fantasy. (Holly Black, New York Times bestselling author of Ironside and The Spiderwick Chronicles) Beautiful and authentically dark. (Sci-Fi) [A] fascinating work of dark epic fantasy that blends elements of the Peter Pan story with characters from Celtic and Norse mythologies.
