This story hooked me quickly and never let go.Von Detra FitchBrenna Fox came home from college one day to find bother her parents dead and her little sister, Lisa, shot in the hip. Brenna only knew that something had pushed her father over the line of sanity. The scandal would also cause trouble for her fiance, Taylor Rothschild. It could even ruin his

banking career. Vivian Rothschild, Taylor's mother, would do anything to keep Brenna from marrying her son. Using the scandal to her advantage, Vivian offered Brenna the money for Lisa's surgery, but only if Brenna left town forever and never contacted Taylor again. Should Brenna ever tell Taylor of their bargain, she would have to pay all the money back. For Lisa's sake, Brenna agreed and walked out of Taylor's life without even saying goodbye. Three years passed. Brenna settles down in Hollow Ridge, North Carolina, a small town that caters to skiers. Brenna now owns and operates a B&B. Ten-year-old Lisa helps her keep Sleepy Hollow Inn running smoothly and her beloved cook, Geraldine, is a blessing. The last person she expects to see walking through the door is Taylor. But Taylor is not alone. He has a new fiancée. ***** FIVE STARS! Real heroes are those who put the welfare of others before themselves, even if it means sacrificing their happiness. This is exactly the type of person Brenna is. Author Brenda K. Jernigan has a writing style that made it easy for me to understand and care for the characters. The story hooked me on the very first page and did not let go. And the surprising twist toward the end made my mouth fall open. I never saw it coming. I fell so far into the story that the world seemed to fade away and I lost track of time. But it was well worth losing sleep over. I cannot recommend this story highly enough. *****Reviewed by Detra Fitch of Huntress Reviews.0 von 0 Kunden fanden die folgende Rezension hilfreich. Etwas langwierige Liebesgeschichte Von Merle Brenda Fox lebt mit ihrer 10-jährigen Schwester im verschlafenen Skiort Hollow Ridge, nachdem sie vor drei Jahren ihren Verlobten berstzt verlassen hat. Ohne ihm etwas zu sagen. Ihren Lebensunterhalt bestreitet sie mit dem Führen eines kleinen Hotels. Doch plötzlich steht Ex Taylor Rothschild mit seiner neuen Verlobten vor der Tür. Die Geschichte konnte mich nicht besonders begeistern, die lange Leidensgeschichte fand ich einfach zu lang und die Entwicklung zu idyllisch und vorhersehbar.

Kurzbeschreibung TOP 100 - Breakthrough Novel Award Brenna Fox knows she will always love Taylor Rothschild, but she doesn't want to be a black stain on Taylor's promising career after a scandal that is none of her making. So she makes a devil's bargain with Taylor's mother, Vivian Rothschild, and leaves the man she loves, promising never to return to River Run. Brenna prays he will forgive her and will come after her. Vivian Rothschild will do anything in her power to keep her son from marrying Brenna, who she believes is a gold digger. Vivian offers to set up Brenna in a new town and pay for her younger sister's medical expenses as long as Brenna tells Taylor nothing of the agreement. Vivian reasons that what Taylor doesn't know won't hurt him. Fate has a way of interfering and sends Taylor Rothschild barreling back into Brenna's life when his car breaks down in Sleepy Hollow. But he isn't alone. He has a new fiancée. Taylor Rothschild swore he'd hate Brenna until the day he dies after she left without a word. Now, as he comes face to face with his past, he learns that there is a thin line between love and hate.
