Kurzbeschreibung "What fate would you choose?" Just when it seems she's finally moved on from one of the most difficult times in her life, devastation rocks Sophie Ryan's world again. When long buried demons from her troubled past resurface, Sophie is forced to face her darkest fears, questioning everything she once thought was real. Will she be able to return to the path she once traveled? Will she turn back on the promises she's made in the past? Or will she be confronted with the harsh truth that every decision, every choice, has a consequence? When life thrusts a path in your direction, what fate will you choose?
