Interesting story with a great possibility to go on... Von Ein Kunde Just finished this book and have to say that it was a good reading. I enjoyed the outcome and looking forward to the next one.

Kurzbeschreibung Wilhelm is a young Werewolf when he was brutally attacked by Vampires. The scars he was left with earned him the nickname 'Scratch'. He went on to grow into a fierce warrior and protector, admired by not only his pack but the surrounding ones as well. One day while sitting in the same meadow the attack occurred in, a young woman emerges screaming for help, being pursued by vampires. Scratch meets the 'Chosen One' and his life will never be the same. A story of adventure, intrigue, romance, heroism, chivalry, and eroticism. For adults only.
