Von Heather Killough-Walden : The Chosen Soul (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chosen Soul (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Great Fantastical EpicVon Mary MoritzPieces of this story still come back to me unexpectedly more than a month after I first finished it. The author has a writing style so visual and evocative it is impossible not to be transported right into the center of the world she creates. Mythical, magical and yet heart breakingly human in it's depiction of familial love, romantic love and parental love, the story of Raven and her introduction to her unique inheritance, as her brother Loki stands loyally and protectively by her side and she by his, is like nothing else I have ever read, so much so that I started reading it all over again. It is so original and compelling that I never had the slightest idea where it was leading me but I was never disappointed. The author's presence is barely felt: she allows the story to tell itself yet manages to

steer it perfectly. The prose is concise yet stirring. The story is exciting and passionate, poignant and heart felt. The best way to read it is to give yourself up to it and just go along for the ride.

KurzbeschreibungIt was a dark and stormy night when the Stranger came to call. Sarah Greys second child was breached; the twin was going to die.The Stranger offered help.Twenty years later, Raven Grey, the second twin born on that fated night, is now an extraordinarily beautiful woman. With a gift.But what is the price to pay for that gift?If Raven and her brother can not escape the handsome and powerful elf prince, outwit the dark and dangerous bounty hunter, and defeat the ancient, mighty Death Mage - Raven is sure to learn just what that price is.And pay dearly.*****Heather Killough-Walden is a California native currently living in Texas with her husband and child. She is the New York Times and USA Today bestselling e-book author of the Big Bad Wolf series and the October Trilogy, as well as the print and ebook Lost Angels series which includes ALWAYS ANGEL (available now) and AVENGERS ANGEL (available November, 2011).
