I enjoyed itVon AriI haven't read any other works from this author yet, so I'm not sure how well this is compared to her usual writing.But I rather enjoyed it. The characters are cute and better developed than in some other stories I have read in the past.All in all, I can say it certainly is sweet and I'll definitely reread it in the future.For a quick read to calm down or just read something nice and short, this is definitely a good book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Bored to tearsVon K. G.In dieser Geschichte wird die Zusammenfassung einer Geschichte geliefert. Es passiert neben einigen Szenen, in denen sie nahezu immer Kaffee trinken und nicht wirkliche miteinander

reden, weil einer von beiden zu schchtern ist, absolut gar nichts. Man findet im einmaligen Lesen keine Fehler. Dafür zwei Sterne, aber die Geschichte sollte vielleicht geschrieben werden und nicht die Grundidee hochgeladen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schdlingsbekmpfung mal anders! Von Hana-san Hier steckt genau das drin, was drauf steht, und sogar noch mehr! Schöne Geschichte mit vielen Details, ein bisschen Spannung, unvorhersehbare Entwicklungen, ganz viel Atmosphäre und eine gehörige Portion Magie. Tatsächlich für kalte Tage der perfekte Lesestoff, kurz gesagt volle fünf Sterne und eine definitive Kaufempfehlung für alle, die eine gefühlsbetonte Männer-Liebesgeschichte suchen.
