**Von Sam Kates : The Cleansing (Earth Haven Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cleansing (Earth Haven Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A grim doomsday taleVon mountainmamaAliens who have lived among us for the past 5000 years finally get the call to release a virus developed to wipe out most of the earths population. As the death toll mounts, we follow one alien who has decided he cannot complete his mission. He meets up with two survivors and runs for cover.Most of the book was

the set up for the series background on the aliens and why they want to take over Earth, the mechanics of the spread of the infection, the horrifying descriptions of the course of the illness, and the personalities of the three escapees. Dark and sinister, this book drags you through an unimaginable scenario. Post-apocalyptic fiction at its best! Cant wait for the next installment.0 von 0 Kunden fanden die folgende Rezension hilfreich. Doom's Day Story but with human twists and turnsVon Ralph von VignauThe end of humankind or the salvation of the world. I read all 3 books in the series in less than a week.The "hero" survivor turns out to be a reasonable character but not a survivor but rather a frightened individual. However people follow him. The bad guys are not all bad and from book to book become very human. A nice and entertaining story but one does need to read all 3 books.

KurzbeschreibungApocalypse unleashed, the Cleansing begins. Relentless. Survival, uncertain. Seven billion people inhabit this world, unaware our destruction is at hand. Death arrives unheraldedswift and nearly certainnot from meteors or nuclear holocaust or global warming, but from a source no one even knows exists. The architects of doom have moved among us, hidden in plain sight, waiting for the signal to trigger our extinction. Blindsided, humanity falls. A handful of survivors, bewildered and grief-stricken, must face the new reality, and quickly. For while the Cleansing threatens our existence, it is only the beginning. . . .Sam Kates writing style is elegant and deft, and his way with words is superbly meticulous. He paints a picture for the reader of color and space and emotion, but uses a light brush so that no two readers will see quite the same thing: he doesnt overburden the reader with description but leaves just enough, and just the right things, to the imagination. Kates has written some of the most powerful scenes anyone has put on paper, yet his writing is smooth, effortless, and supremely comfortable. Adam Byrn Tritt, author of the award-winning sci-fi short story Ezekiel's WheelKurzbeschreibungApocalypse unleashed, the Cleansing begins. Relentless. Survival, uncertain.
