**Von Sharon Page : The Club: A Rouge Regency Romance** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Club: A Rouge Regency Romance:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.  
Romantic/erotic regencyVon Helen HancoxWhen Jane St Giles, Lady Sherringham, discovers that her good friend Del has vanished, she knows she has to try to find her. Del's husband has been violent towards her and Jane knows that he

forced Del to attend 'The Club', a secret gentlemen's club. So Jane goes there in order to try to find out what may have happened to Del, and bumps into Del's brother, Lord Wickham, who has returned from India. Jane and Wickham were childhood friends but their lives moved in separate ways, with Jane marrying (and then being widowed) and Wickham gaining a reputation as a rake. Jane and Wickham begin to investigate together, both at the Club and elsewhere. They believe Del may have been locked away somewhere but they have few leads. As they uncover the seamy underworld of London together, their childhood friendship rekindles; but there are shocks in store for Jane and she may have to re-evaluate what she knows of Wickham's character. This book was enjoyable in terms of the mystery plot and the variety of settings in London. What didn't work for me were the scenes in the club which felt like they were written almost entirely for the titillation of the reader and didn't serve any real purpose. I liked both Christian (Wickham) and Jane in terms of their characters but I had to suspend belief occasionally in terms of historical accuracy. It was a reasonable read but not something I am likely to turn to again. Originally published for Curled Up With A Good Book Helen Hancox 2009 2 von 2 Kunden fanden die folgende Rezension hilfreich. Erotical and action Von glauka What a romance...something different from all the typical stories about rakes and virginal debutants or intelligent but left over spinsters...Lord Wickham with his nickname Lord Wicked turned over the years to be a formidable rake and scoundrel. Childhood friend Lady Jane Sherringham had a very hard and torturous marriage lasting for eight long years...Now (for allready 13 months) is she a widow and her best friend (also Lord Wickhams sister) Lady Delphina is missing for almost two weeks. Lord Wickham has returned from India and is searching for his sister...and he meets Lady Jane in the "Club" a very sexual, wicked place where the english ton goes to have a different very sensual entertainment...They decide to join forces in the quest of Lady Dels place where she is kept in prison.- I liked the book very much because as I said in the beginning the main characters are not the usual ones from regency-romances.- The characters of Lady Jane and Lord Christian Wickham were very good described and absolutelly logical.- There are a few very nice written sexy scenes that makes the whole book very enjoyable- And last but not least the search for the vanished Lady Del is really eventful. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Well balanced regency erotic romance Von Gella This book was a nice surprise for me as I have read my way through many hot romance novels out there and very few managed to combine an adventurous love story, nicely shaped characters and originally written erotic scenes. I loved it! I definitely recommend this book!

Kurzbeschreibung It is London's most secretive gentlemen's club - a place where no well-bred lady would dare to be seen. But Lady Jane Beaumont has no choice. Her friend Delphinia has vanished, and Jane must enter into a dangerous charade to find her. Now, within the gilded walls of this erotic lair, Jane awaits the lover she has procured for the evening. But the man who enters her bedchamber is no stranger. He is Delphinia's brother and London's most notorious rake - a man on a rescue mission of his own. Christian is intrigued by the innocent beauty who clearly does not belong in the notorious brothel. And as the two seek out the damning secrets of the club...as Christian initiates Jane into the ways of true sensual pleasure, she knows she has entered the most dangerous place of all - where the price of temptation could be her heart...Rouge Romance - your first stop for romance books Pressestimmen "Page pens a seductive tale" (Romantic Times) "A winner" (Publishers Weekly) Werbetext Rouge: red-hot romance
