Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ehe oder Liebe? Von Renate H. Amelia ist seit 10 Jahren mit Thomas verheiratet und hat 2 Kinder. Sie fragt sich immer fter, ob es das war, da Thomas mit seiner Kunst verheiratet und der Sex bestenfalls lauwarm ist. Amelia scheint ihre Gefhle

verloren zu haben, bis Alexander in ihr Leben tritt. Sein Charisma und seine Dominanz erwecken ihre Gefühle bereits beim ersten Zusammentreffen. Obwohl Amelia eine starke Frau ist, unterwirft sie sich Alexander und seinen sexuellen Forderungen. Gleichzeitig wird sie von ihren Gewissensbissen innerlich zerrissen. Soll sie an sich denken und die Lust einfach genießen, oder soll sie versuchen, ihre neuen Gefühle zu berwinden und mit der Mutterrolle zufrieden sein? Oder gibt es eine andere Lösung? Zuerst war ich mir nicht sicher, ob mir diese Geschichte gefallen wird, da ich persönlich nicht viel von Ehebruch halte. Aber da mir die anderen Bücher der Autorin sehr gut gefallen haben, wollte ich einfach mal mit dem Lesen beginnen. Und habe nicht mehr aufgehört! Die Problematik in dieser Geschichte einerseits, und die erotisch beschriebenen BDSM- und Liebesszenen andererseits haben mich von Beginn an gefesselt. Alexandra I. ist es sehr gut gelungen, die Chaotik in Amelias Gefühlswelt zu beschreiben. Was mir ein bisschen gefehlt hat, ist der POV von Alexander, das wäre sehr interessant gewesen. Die Handlung ist nachvollziehbar und meistens glaubwürdig. Ich bin schon sehr gespannt auf den nächsten Teil der Geschichte. Gesamt gesehen eine großartige Liebesgeschichte mit erotischer Beteiligung, die ich allen sehr empfehlen kann.

Kurzbeschreibung "I absolutely LOVED this book. The author rips every emotion out of you and the steam level is through the roof. Just when you thought the plot twists were over she throws another at you full forced and knocks you off your feet and has you reeling. I cannot wait for the second book of this series. ABSOLUTELY a must read." [Recommended for readers 18+ due to sexual references and sex scenes] Amelia Jones knows the truth; she lives and breathes it every day. The endless monotony of her life is only relieved by the grace of her nephews, which after her sister's death, she agrees to look after. That is, until Alexander Reeves walks through the door. Her new boss is intriguing, charismatic and clearly driven by unspoken demons, and while Amelia knows she's playing with fire, she's relentlessly drawn to the man. Alexander is just as taken by her, but knows that giving into temptation can only end in disaster. When the couple succumb to a passionate, furious battle of the wills, Amelia is thrilled and afraid; Alexander's erotic preferences are shocking to the uninitiated. The trouble is, wild as his life may seem, Amelia knows that he at least is living. Alexander may bring about her ruin, but he also holds the secret to her salvation, and Amelia prays she might be able to save him too.
