Erotica Von Astrid Back Cover: Laura owns what might be the world's most extensive collection of BDSM lesbian erotica, but that's as close as she's gotten to the world of her fantasies. Until, that is, her friend Adele introduces her to

Adele's mistress Jeanne art collector, heiress, and experienced dominant. Nothing in Laura's reading prepares her for the powerful reaction she has to Jeanne or how completely she is captivated by this sensual new world. With Jeanne's first command, Laura's life changes forever. But even the most commanding mistress can't always control a willful submissive, and Adele's jealousy challenges Jeanne's dominance and Laura's place in their world. What Jeanne and Laura learn about themselves on their erotic journey will either drive them apart or change the very nature of their lives. \_\_\_\_\_ My review: First let me point out that the book neither has 204 pages as mentioned on nor 144 as mentioned on BSB's homepage. My copy actually only has 137 (counted) pages. And that's it. I would appreciate if that number could be corrected, especially on . Sorry, but I'm slightly annoyed about this. I'm a fast reader and around 70 pages less than mentioned by do mean a lot less pages to read. I really enjoy a good BDSM story and read some in the past and will do so in the future. Don't you tell that to my parents. Pretty please. "The Collector" is a nice erotica story written in 1st person POV. And let me assure you that writing a good story in that genre is much more difficult than most would think. The author points out at the end of the book that this was her first book length erotica. Well done. The scenes played out well. Me giving this story only 3 stars doesn't mean that I didn't like it. Only that when comparing it to other BDSM stories I've read I do believe that there is room for improvement. The story is rather short (with 137 pages) and I wished the author had taken more time with the sex scenes. Some scenes seemed rather hurried and clinical to me. Even with sex scenes you have to build suspense. Still, I would buy Lesley Gowan's next book. There aren't that many tastefully written lesbian BDSM stories out there. I commend Lesley Gowan for her effort.
