mehr kann Man sagen?Und ein andere sieben Worter die arm System wollt

KurzbeschreibungPatrick OBrians Aubrey-Maturin tales are widely acknowledged to be the greatest series of historical novels ever written. Now, for the first time, they are available in electronic book format, so a whole new generation of readers can be swept away on the adventure of a lifetime. This is the seventeenth book in the series.Jack Aubreys long service is at last rewarded: he is promoted to the rank of Commodore and given a squadron of ships to command. His mission is twofold to make a large dent in the slave trade off the coast of Africa and, on his return, to intercept a French fleet set for Bantry Bay with a cargo of weapons for the disaffected among the Irish. Invention and surprise follow at every turn in this tale of nineteenth-century seamanship, as rich, as compelling, as masterly as any of its predecessors.Pressestimmen'... full of the energy that comes from a writer having struck a vein... Patrick O'Brian is unquestionably the Homer of the Napoleonic wars.' James Hamilton-Paterson 'You are in for the treat of your lives. Thank God for Patrick O'Brian: his genius illuminates the literature of the English language, and lightens the lives of those who read him.' Kevin Meyers, Irish Times 'In a highly competitive field it goes straight to the top. A real first-rater.' Mary Renault 'I never enjoyed a novel about the sea more. It is not only that the author describes the handling of a ship of 1800 with an accuracy that is as comprehensible as it is detailed, a remarkable feat in itself. Mr O'Brian's three chief characters are drawn with no less sympathy that the vessels he describes, a rare achievement save in the greatest of writers of this genre. It deserves the widest readership.' Irish TimesKurzbeschreibungPatrick OBrians Aubrey-Maturin tales are widely acknowledged to be the greatest series of historical novels ever written.
