Von Jack Caldwell : The Companion of His Future Life (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Companion of His Future Life (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Lots of copied passages from original or filmVon Alexa S.I like to read variations, but about one third of this book is either a copy from the original or from the movie. So it is possible to skip whole pages without missing out on the story. It's not a pleasure to read whole passages you already know. And it doesn't make a lot of difference if it is Mary or

Charlotte who marries Mr. Collins or if Jane accompanies Lizzie on her visit. There are some new passages but so far (and I'm about half through with it) not enough to justify a new novel. For me it was a waste of money.0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining and a pleasure to readVon CustomerI really liked this "what if" variation. The changes in the story feel natural. It would have worked without Elizabeth telling Darcy that she would be his if he managed to save Lydia however. This forwardness on her side just doesn't fit the image I have of Elizabeth. The language was very much Austen so I enjoyed that, too.

KurzbeschreibungOne of the great "what-ifs" among Pride Prejudice aficionados is:if Mr. Collins married Mary Bennet instead of Charlotte Lucas, how would that influence Mr. Darcy's dogged pursuit of the elusive Elizabeth?In this breezy and hilarious re-telling of Jane Austen's classic novel, the author explores what would have changed -- and what would have not -- had two of literature's most self-righteous characters found their way together. Elizabeth Bennet goes to Kent with her sister Jane, and the fur flies! A wonderful, mad-cap romp!KurzbeschreibungOne of the great "what-ifs" among Pride Prejudice aficionados is:if Mr. Collins married Mary Bennet instead of Charlotte Lucas, how would that influence Mr. Darcy's dogged pursuit of the elusive Elizabeth?In this breezy and hilarious re-telling of Jane Austen's classic novel, the author explores what would have changed -- and what would have not -- had two of literature's most self-righteous characters found their way together. Elizabeth Bennet goes to Kent with her sister Jane, and the fur flies! A wonderful, mad-cap romp!ber den Autor und weitere MitwirkendeJack Caldwell is an author, amateur historian, professional economic developer, playwright, and like many Cajuns, a darn good cook. Born and raised in the Bayou County of Louisiana, Jack and his wife, Barbara, are Hurricane Katrina victims who now make Florida their home. His nickname -- The Cajun Cheesehead -- came from his devotion to his two favorite NFL teams: the New Orleans Saints and the Green Bay Packers. When not writing or traveling with Barbara, Jack attempts to play golf. A devout convert to Roman Catholicism, Jack is married with three grown sons. Jack's blog postings -- The Cajun Cheesehead Chronicles -- appear regularly at Austen Authors.
