Von Mercedes Lackey : The Complete Arrows Trilogy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Arrows Trilogy:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I expected something more this coming of age / hero's journey fantasy sadly was a bit boringVon MinaThis trilogy left me a bit dissatisfied. Although it started as a classical epic fantasy with the young woman/child coming from some backwater's place and going on a hero's path from there, it never really gained momentum in the story or even

character development. I liked Talia, the girl from the Borderlands who so desperately wants to be a Herald, a fighter for the kingdom and the queen. She manages to leave her bad past behind, when finally she really is Chosen to become a Herald, although it takes some time. But that actually made it all feel pretty real. Everything Talia is and does and grows into makes absolute sense. The whole first book is about Talia's training to become a Herald and I liked it so much that I forgave the at times slow pacing. But then, with the beginning of book two, I thought it to be the start of Talia's exciting time as a Herald and sadly, it was not. She is on her internship and when I heard it was in the inhospitable north, I thought there would be battle and mystery and stuff. But the whole book mostly consists of Talia and her assigned Herald being cloistered in some waystation in the snow. Wow. Not exciting. And to make things worse, the whole character development that happened in book one was just wiped away and there is a constantly worrying and angsty Talia just sitting around. I'd say something about Kris, the Herald she is interned with, but he is just a prop, he never feels like a real character. When I thought the second book in the trilogy oftentimes is the filler with issues, I learned here that book three sadly didn't raise the bar any further. I disliked the plotline, the black and white villains, the stuff happening to Talia that have no real consequences whatsoever and the overall pacing. So I'm afraid that this trilogy started out pretty good and went on a slow decline from there. I won't read any other books of that author, I'm sorry to say. Just not as good as other authors write about the theme.

Die Bücher werden von Band zu Band besser und es wird auch klar, dass die Autorin einen übergeordneten Plan hat. Ich würde auch jedem, der die Bücher lesen möchte, anraten sie in kurzer Abfolge hintereinander zu lesen, da z.B. etwas in Band 2 erwähnt und in Band 3 wieder aufgegriffen wird. Zwei Gründe haben mich davon abgehalten mehr als 3 Sterne zu geben. Die Geschichte ist nicht unbedingt originell, bzw. es gibt viele andere Bücher die ähnlich sind, was aber nicht unbedingt schlecht sein muss. Des Weiteren fehlen mir Höhepunkte und emotionale Tiefen. Also kein wirklicher Spannungsaufbau, schneller Tod oder Verschwinden von Beweisen, und an manchen Stellen wird zu viel an anderen Stellen zu wenig auf Talias Emotionen fokussiert. Im Großen und Ganzen konnte ich nicht wirklich mit den Charakteren mitfühlen. Sie blieben für mich alle relativ flach und farblos. Trotzdem bereue ich es nicht die Triologie gelesen zu haben, obwohl ich wohl keine weiteren Bücher von Mercedes Lackey lesen werde.

Kurzbeschreibung Together for the first time in a single volume, The Complete Arrows Trilogy is the adventure that launched Valdemar, Mercedes Lackey's expansive fantasy realm beloved by generations of readers. Talia, once a runaway, is Chosen by the Companion Rolan, a mystical horse-like being with powers beyond imagining. She becomes one of the great Heralds of Valdemar, a protector of the realm, and a member of the Queen's Own elite guard. Over the course of Talia's adventures, she struggles to master her unique magical abilities, while protecting her queen, the heir to the throne, and the kingdom itself. She battles against diabolical magic, treacherous assassination plots, dangerous unrest, and traitors to her fellow Heralds.

Pressestimmen Beautifully written.... Shows a sure touch with the wonder and adventure that characterize the best fantasy writers. RT's Lackey has created a complex, interesting world. American Fantasy Magazine The story is well told, and the major characters are well-drawn. As a whole, the trilogy offers evidence of Lackey's...potential to become a major figure in the field. Booklist So well-crafted you'll want to read it an entire night. The Heralds are all people you know, or wish you knew.
