**Von Jerome K. Jerome : The Complete Jerome K. Jerome: The Collected Works (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Jerome K. Jerome: The Collected Works (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. My life and timesVon ChristianeAfter his moving account of his poverty-stricken childhood in a loving family, we do not learn a great deal more about Jeromes private life. His wife is introduced by the laconic statement: I was married by then, and we first learn that he had children when he mentions them going to the same school as Mark Twains.He talks of the variety of jobs he held, the sports he enjoyed, the houses he lived in, the pets he had, the excursions he took and of the pleasant life he led after the financial success of Three Men in a Boat, living and travelling extensively on the

continent and rubbing shoulders with the rich and/or famous of the day. He paints a mostly idyllic picture of Britain and reminisces extensively on the theater scene: Dozens of names come up many of them probably unfamiliar to modern readers: playwrights, actors, producers, editors, critics, theatre managers, magazine publishers, etc. etc. and he tells some amusing anecdotes of Shaw, Conan Doyle, Wells, Kipling, etc. He describes his impressions of America and the Americans collected during several lecture tours there and raises the subject of racial hatred. The strongest chapters come at the end of the book: his experiences as an ambulance driver in France during the first world war and his religious convictions. To me this memoir appears uneven, jumping from topic to topic with little in the way of transition between the deadly serious and the very lighthearted and I would have liked to know more about Jerome the husband and family man.

Kurzbeschreibung Jerome K. Jerome is rightly famed for his peerless work of comic genius 'Three Men in a Boat', and it's hugely successful sequel, 'Three Men on the Bummel', but beyond these two titles, much of his other work is now forgotten. This comprehensive collection contains the complete works of this hilarious and talented author, incorporating fiction, drama and essays and observances, as well as the Autobiography of the author. Rich with humour and insight, collections of essays such as 'Idle Thoughts of an Idle Fellow' offer a priceless insight into the life and times of late Victorian and Early Edwardian England - a time of apparent luxury and indolence, but also great social and technological change. The voice of Jerome K. Jerome is never far from the action, with his wry wit and piercing observances standing the test of time, and still never failing to raise a smile and a laugh from the reader. This ebook has been carefully edited and formatted, and provided with beautiful color illustrations. All of the short stories have been preserved in the collections in which they were originally published, and all of the texts have dedicated active tables of contents. The works contained in this Bybliotech collection are as follows: Novels: Three Men In A Boat (To Say Nothing Of The Dog) Three Men On The Bummel Paul Kelter They And I All Roads Lead To Calvary Tommy And Co. Short Story Collections (72 Short-stories in Total) Told After Supper John Ingerfield And Other Stories Sketches In Lavender, Blue And Green The Observations Of Henry The Passing Of The Third Floor Back, And Other Stories The Angel And The Author And Others Malvina Of Brittany Evergreens Dreams Clocks The Dancing Partner Plays: Fanny And The Servant Problem The Master Of Mrs. Chilvers Non-Fiction: Idle Thoughts Of An Idle Fellow Stageland The Diary Of A Pilgrimage, And Six Essays Novel Notes Second Thoughts Of An Idle Fellow Tea-Table Talk Idle Ideas In 1905 The Autobiography: My Life And Times Kurzbeschreibung Jerome K.
