Von Emma Hart : The Complete Memories Series (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Memories Series (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Schn geschriebenVon NikaIm Prinzip sind sich die Bcher sehr hnlich von der Story. Aber die Charaktere sind fesselnd und die Schreibweise finde ich ganz toll, dass die Kapitel abwechelnd aus ihrer und seiner Sicht geschrieben sind. Das zweite Buch ist sehr kurz und eher eine nerleitung von Buch 1 zu Buch 3. im zweiten Buch werden sogar 4

verschiedene Sichtweisen beschrieben.

Kurzbeschreibung NEVER FORGET: A city girl. A small town boy. A summer they'll never forget. Spending the summer at her Grammy's in Lilac Bay, Devon, is city girl Alexis 'Lexy' Edwards' idea of hell. That is, until she reconnects with her childhood friend, Jen, and meets Alec Johnson. Alec is the kind of guy Lexy knows she needs to stay away from. He's the village flirt, ridiculously hot and very dangerous to her self control. But there's a problem she can't seem to keep him out, even though she knows he'll break her heart. As Alec slowly strips away Lexy's defences and the two embark on a summer romance she never wanted, their feelings grow to more than either expected. But nothing lasts forever, and reality intrudes. As her world is shaken to its core, Lexy's self made prediction comes true when she discovers she's spent six weeks surrounded by secrets. Kept out by her family and the only guy she's ever trusted, she falls apart. And when Grammy tells her that 'you might not end up where you wanted to be, but you'll always end up where you're meant to be,' she has to figure out if her meant to be is back home in London, or if it's been in Devon the whole time. HOLDING ON: Living in London after spending almost twenty years in a town with a population of three hundred would be hard on anyone and Alec Johnson is no exception to the rule. When Alec followed Lexy to London, he knew his life would change drastically. He just didn't know how much. With Lexy's friends and admirer to contend with, he has to show there's more to the country surfer boy than his ability to ride the waves. With his own shameless admirers, he has to keep Lexy's trust and despite her love for him, that's no easy task. Beneath her tough girl exterior, all Jennifer Mason has ever wanted to do is paint. London's School of Art can give her that, and she couldn't be happier she's finally breaking free from Lilac Bay. What she's not happy about is having to leave Carl behind or his reluctance to visit her while she's studying. Their relationship is put to the test as living on her own for the first time and university take their toll on Jen. After all, three hundred miles is a long way to be away from your boyfriend when you're eighteen years old. And it's even harder when you can't keep your eyes off your best friend's older brother. ALWAYS REMEMBER: How long does it take for a long-distance relationship to break down? Sixteen months. When Jen and Carl put their relationship to rest after Christmas, Jen's biggest problem is going back to London ten days earlier than planned and her ever-present attraction to Samuel Bing Edwards. Bing has no idea why Jen left Devon so fast. All he knows is that he wants her as much as he did the first day he laid eyes on her so spending time with her while Lexy is still in Devon isn't exactly a hardship for him. When he finds out she's single, the only thing on his mind is finishing what they started at his dad's fiftieth birthday party. Feelings that have been a long time building between the two explode, and they both find themselves sucked into an easy yet passionate relationship, with Bing determined to prove to Jen that she's it for him. That she is The One. But in a city like London, the odds are stacked against them, and there's always that one person ready to stir things up. And Jen doesn't know how much of that she can take even for the guy she loves more deeply than she ever imagined, and eventually she breaks. Bing isn't down with that. He wants Jen, and he wants her by his side for good. Jennifer Mason must learn that Samuel Edwards doesn't do giving up. Especially not when his forever girl is involved. **New Adult contemporary romances, not suitable for anyone under the age of 17 due to strong language and sexual situations. ** Kurzbeschreibung NEVER FORGET: A city girl.
