Von Elmore Leonard : The Complete Western Stories of Elmore Leonard before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Western Stories of Elmore Leonard:

Der wilde Westen ist coolVon Dr. Kurt LeodolterWunderbar dichte Geschichten ber die wilde Zeit des amerikanischen Sdwestens. Die Helden sind meist Mnner mit einer lapidaren Lebenseinstellung, karg wie die Landschaft, aber auch geradlinig wie die Landschaft. Die Dialoge knnen gleich in ein Drehbuch bertragen werden, fast so als ob alle

Geschichten schon für die Verfilmung geschrieben worden wren. Sehr schön!

Kurzbeschreibung Before he brilliantly traversed the gritty landscapes of underworld Detroit and Miami, Elmore Leonard wrote breathtaking adventures set in America's nineteenth-century western frontier elevating a popular genre with his now-trademark twisting plots, rich characterizations, and scalpel-sharp dialogue. No author has ever written more evocatively of the dusty, gutsy heyday of the American West than Elmore Leonard. This complete collection of his thirty-one Western tales will thrill lovers of the genre, his die-hard fans, and everyone in between. From his very first story ever published "The Trail of the Apache" through five decades of classic Western tales, *The Complete Western Stories of Elmore Leonard* demonstrates the superb talent for language and gripping narrative that has made Leonard one of the most acclaimed and influential writers of our time.

Pressestimmen Even the earliest of his western yarns show Leonard to be a master storyteller. (Los Angeles Times) Leonard has penned some of the best western fiction ever. (USA Today)
