Von Natasja Helleenthal : The Comyenti Series Book Bundle, Volume 1 and 2 (Epic Romantic Supernatural Fantasy) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Comyenti Series Book Bundle, Volume 1 and 2 (Epic Romantic Supernatural Fantasy) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5

stars Von The Wizard of Oz CALL OFF THE SEARCH is a wonderful work of fantasy that not everyone can pull off, but most will love. Edgy, well-written, and gets you wanting more. Book 2 (CHILDREN OF THE SUN) and it is every bit as good as book 1 (CALL OFF THE SEARCH). The author has a most natural gift for writing in this genre and she is one I am happy to come back to time and again. 1 von 1 Kunden fanden die folgende Rezension hilfreich.

Provocative Profound Von Thomas Baker Book 1 in this Book Bundle "Call Off the Search", by Natasja Hellenthal, is breathtaking, sensual, and compelling. In this supernatural fantasy and paranormal romance you will find yourself holding your breath several times. At least, I admit that's what happened to me as I read this story. It literally took my breath away at times. There is the merging of magic and mythology in the narration of this exquisitely well told story. It develops along classical lines, the writer's craft is in place. We have a unique setting, the Balla Mountains of the planet Bhan. From the outset, it seems the story structure is a familiar one, a man vs monster story. Our monster is the giant, Grobo, who has been preying upon the locals. I am reminded of one of the oldest monster stories I know, Beowulf. Yet do not be mistaken. This is far from being Beowulf. The giant has a more agreeable fate in store for him. And then there are the comyentis: sensual, irresistible, clairvoyant halflings. A romantic triangle forms which will have the reader holding your breath as it develops. Can this mixture work out or would it have been best it never happened? Further, is a resolution needed, or is three truly a magic number? (I wonder aloud) In sum, "Call Off The Search" by Natasja Hellenthal is one that will make you think. If you like a read that takes you into a world of magic and mythology, a world of irresistible sensuality, a world that we ourselves might like to inhabit, then this book is for you. This one is highly recommended. The cliffhanger made me want to read on. That's why this is such a great idea to have Volume 1 and 2 in here, I could just continue to read! Book 2, "Children Of The Sun" was a pleasant surprise and to me and even better. We get to know the other characters that were briefly introduced in the first book and more drama and intrigue is added. Excellent dialogue and character building. Can't wait for book 3! There is very little I can add to the author's clear call for reflection. This book series bundle, (The Comyenti Book Bundle) is profound and provocative. It will make you think about issues that many of us no longer are consciously aware of nowadays. In my opinion, the book has achieved its purpose if it raises your consciousness, and your awareness of the world we live in and our collective impact on the planet. Highly recommended. 5***** Von Peter Martin The Comyenti Series Book Bundle, Volume 1 and 2 (Epic Romantic Supernatural Fantasy) by Natasja Hellenthal Magic, romance and adventure makes this a fantastic book set for fans of supernatural reads. I really enjoyed the way the writer captures the imagination of the reader with great characters and dynamic scenes. Looking forward to more from this author. A super bundle at a great price! 5*****

Kurzbeschreibung Contains the first 2 full novels in The Comyenti Series at a reduced price. One woman torn between two worlds... Can she make peace with her enemy, holding the key to her only chance of saving her mind-merging species from total annihilation? And then what? Will they ever be safe?" A gripping psychological drama on the inherent greed and evil of man, dooming the planet but also the realistic struggle of one woman stuck between two worlds." Kirkus "The author combines magic and mythology with aplomb while providing us with a unique allegory with its own distinct dialogue"--John R. Dizon, author of Sxteamtown Book 1, 'Call Off The Search': The comyentis are different; beautiful and mysterious, possessing powers of which humans can only dream. And for this, they are hated, persecuted. For millennia, humanity has murdered and enslaved the peaceful comyenti "The author combines magic and mythology with aplomb while providing us with a unique allegory with its own distinct dialogue"--John R. Dizon, author of Sxteamtown Book 1, 'Call Off The Search': The comyentis are different; beautiful and mysterious, possessing powers of which humans can only dream. And for this, they are hated, persecuted. For millennia, humanity has murdered and enslaved the peaceful comyentis wherever they find them. Jealous of their ability to merge their minds with animals to use their powers, to empathise with other beings on a deep spiritual level and even hear their thoughts, people sought them out and destroyed them. Now the halfling Sula, one of the last survivors of her kind, lives in hiding. With not just her own life but her whole species' held precariously within her hands, she feels the weight of her responsibility. As loneliness and alienation slowly engulf her, an attractive young human enters her world and she is torn. Should Sula trust him? Can she afford not to? Will she be able to overcome her aversion to humans to save her species from extinction? A life as a wandering hermit, or risk everything for love? Sula's life becomes further complicated when she meets another comyenti and is forced to make a decision. Follow her head or her heart? Book 2, 'Children Of The Sun': Halfling Sula: half-human, half-comyenti, who has supernatural empathetic powers to merge her mind with animals, is torn. Feline is still missing after her personal quest to confront the bigoted comyenti Shazar to learn more about the mysterious Heartmerge. Sula and Felix are desperately looking for her, but will they ever find out the truth about what really happened to Felix's twin sister and Shazar's involvement in this tragic event? Twenty years later, powerful but milder Shazar, seems to be getting his own fair share of misery when his human mate, Ashanna, abruptly dies. He sets off to visit and reconnect with the other last of their kind, Sula. However, he is closely

followed by Twello, his adopted human son who has his own secrets. When they enter Rosinhill they soon discover that Shazar's iniquitous plan from twenty years ago has worked. New hope arises and a new different future for the comyentis is about to begin... As tensions mount with Shazar's and Twello's arrival, which threaten the life Sula has built for Felix, herself and their children, a new danger enters their lives; much worse than Shazar could ever be. One that is about to engulf the comyentis and with that their new hope. Who are these strange shape shifting creatures and what do they want from Sula and her children? Can the comyentis stop them before it's too late? Who are the comyentis really, where do they come from, why are they on Bhan and what is their connection with their new found enemy? Read for Free with Kindle Unlimited!
