like an aggressive hero..... :-) Von S. J. A. This is the first book I had read by Brenda, and I must admit I was torn between loving it and hating it. I was totally flabbergasted at the things she put this couple through...and I don't think I've read any romances that the hero was quite so aggressive. By the end of the book I do admit that I loved it, but practically threw my hands up in the air on any number of occasions while I was reading. Anyway, it was good enough to make me purchase 3 more books by her and I just finished "My Dearest Enemy". It was great and another truly unique story by Brenda! 2 von 2 Kunden fanden die folgende Rezension hilfreich. true love prevails through the most unlikely situation Von Ein Kunde I enjoyed this book so much, i read it straight through in one day. when i finished, i just kinda sat back and thought about how sweetly the romance worked out but then i was like "wait... that's not right" because it SHOUDN'T of worked out. It was sweet because true love won out, but ciedre's love must have been seriously stong to over look some of the issues Rolfe had. Issues like rape and slaughter. Her first encounter w/ him resulted in him knocking her flat on her back and nearly raping her. If it had been me, i would have never forgiven him for just that. But ciedre kept coming back to him even after he did rape her and on her WEDDING night. Thats just twisted. I understand that the whole feminist thing was hundreds of years from taking place, but did that girl completely lack good sense? the reason I only gave it 2 stars is beacuse she actually made love to Rolfe right after he raped her. Its too perverted for my taste. 0 von 0 Kunden fanden die folgende Rezension hilfreich. another good one from Joyce Von Emily R. Jarrell This is not a book to leave out on the coffee table, it is extremely graphic and steamy. However it is a compelling story of obsessive love and has very interesting characters throughout. If you like this one, I very highly recommend Mary Jo Putney's Uncommon Vows.

Kurzbeschreibung Like a pagan god, Rolfe the Relentless rode into Castle Aelfgar to claim it as his prize--and Lady Alice as his bride. Lauded for his bravery in France, in England he was the hated enemy. Once ensconced in his new domain, Rolfe became determined to tame the Saxon beauty Ceidre, Alice's illegitimate sister, whose spirit and sensuality make him risk treason to have her--not Lady Alice--in his bed... Mysterious and seductive, she was no lady but a spy for the rebel cause of her noble half brothers. Refusing to bow to this arrogant warrior who ignited her forbidden passion, Ceidre was swept into a dangerous liaison tied to the fate of England and kings. Yet with his kisses on her lips, his skillful hands on her body, she would have to struggle not to surrender to... The Conqueror. From the Paperback edition.
