**Von Darlene A. Cypser : The Consulting Detective Trilogy Part I: University (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Consulting Detective Trilogy Part I: University (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 3 Kunden fanden die folgende Rezension hilfreich. Exzellente Fortsetzung!Von keteIn "University" begleiten wir Sherlock nach den tragischen Ereignissen in Yorkshire

nach Cambridge, wo er es ebenfalls nicht leicht hat. Nachdem er das neue Chemielabor in die Luft gejagt hat muss er die Uni ohne Abschluss verlassen. Das Buch ist - wie sein Vorgänger "The Crack in the Lense" - exzellent recherchiert und man erfährt daher vieles über die Lebensumstände auf einem Nobelcollege zur viktorianischen Zeit. Beide Geschichten sind emotional berührend ohne irgendwie kitschig zu sein und das Beste ist, dass die Entwicklung des jungen SH so dargestellt wird, dass man tatsächlich nachvollziehen kann, wie er zu der Persönlichkeit wurde, die ACD später beschrieben hat. Für die, die Englisch lesen können eine uneingeschränkte Empfehlung von mir. Gibt's auch als Kindle-Version.

**Kurzbeschreibung** It was some time before Sherlock Holmes recovered from the events of late 1871. Physically, it took many months; mentally, it took many years. He was bound by both a promise to the living and a commitment to honour the dead, and being so bound he set the full force of his will to rebuilding the shattered pieces of his life. Yet some times will alone is not enough. Sherlock Holmes had too many adventures and went through too many changes in the nine years between Violet's loss and his first meeting with Dr. Watson to tell the story in a single book. So the sequel to The Crack in the Lens became a trilogy. Part I of The Consulting Detective Trilogy follows Sherlock to the University of Cambridge and tells the story of his decision to become a detective, his first few cases, and his early training.
