Love Story mit einem Hauch bdsm Von mockingbird Sondra fngt ein neues Leben an und verliebt sich in ihren Boss, der sie in die Anfng des bdsm einfhrt und es gefllt ihr. Kein allzu anspruchsvolles Buch ber das erste Herumtndeln eines

verliebten Prchens mit bdsm. Wenn man entspannen will und mal vom Stress herunterkommen mchte, kann man sich gut damit in eine Ecke verziehen und schm kern. 1 von 1 Kunden fanden die folgende Rezension hilfreich. 50 shades of soft BDSM Von Renate H. Die Handlung ist flssig geschrieben und unterhaltsam. Wohl nur etwas fr Frauen, da das ganze Thema bisher sehr soft behandelt wird. Die Szenen sind gut beschrieben. Was mir fehlt, ist mehr von dem inneren Konflikt, den jede(r), der neu in diesem Lifestyle ist, haben muss. Die Autorin hat mich neugierig gemacht und ich habe auch die nchsten Bnde bestellt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr soft Von Claude Tisserand Mir ist das Ebook zu soft, da htte ich mir mehr Hrte gewünscht. Aber das war mein Anspruch, insgesamt ist es ein gut zu lesendes Buch (auf englisch) und unterhaltsam beschrieben. Doch im Bereich BDSM darf man nicht zuviel erwarten. Ich denke es ist eher fr Leute geeignet, die null BDSM-Erfahrung haben...

Kurzbeschreibung Book 1 - The Boss's Pet series is a sexy, contemporary adult romance series intended for mature readers who want to learn more about the dominant and submissive lifestyle that includes soft bondage content or BDSM. (The story continues in BOOKS 2-5) - Comfortable with her normal vanilla lifestyle, Sondra wasn't looking to start a new relationship, let alone a new lifestyle. But her new boss, Nick, presents a challenge when she applies for a managerial position. Their time together at the office spills into more time together away from the office that eventually leads to a deeper relationship. Nick introduces her to a Dom/sub lifestyle she'd never experienced, but is fascinated with. Will sex for her ever be the same? The magnetism Sondra feels when Nick is nearby makes her forget the warnings against an office romance and she follows her heart. Learning about BDSM is just the tip of the iceberg regarding her erotic fantasies. Nick teaches her more as each book in the series will show you. Join Nick and Sondra as they crave each other's company, learn what intrigues the other and how simple gestures can tie a couple together in more ways than one. Be sure to read the other books in the series! For readers 18+ due to mature content.
