eine tolle Story von Terry Towers Von -Kunde Die Geschichte ist zwar recht vorhersagbar, aber die Umsetzung und die erotischen Szenen sind wie immer bei Terry Towers rund um gelungen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Simple, but still sorta perfect Von -Kunde Very great, likeable characters that you just have to ship for and some tension to bring a little bit more excitement in.

Kurzbeschreibung For Jade, there is one customer who makes going to work at the coffee shop worthwhile, Officer Alex Kane. With just a look, Constable Kane turns her body into an inferno of desire, but being too shy to make the first move she endures countless nights longing for his hard body and tender touch. Luckily, fate has plans for the sexy cop and the cute, shy girl from the coffee shop. Length: Approx 15,000 words ***Warning: this book contains explicit sex and language that some may find offensive. Meant for adults aged 18+*** Excerpt: She gripped his bicep with one hand, while the other hooked itself behind his head and she directed his lips to hers. "Kiss me Alex," she half-whispered, half-gasped. A low sexy growl came from his throat as his lips ghosted hers. He kept his lips suspended against hers, a mere sliver of air separating them. Their breaths mixed as one as both she and Alex fought to control the urges that were threatening to overtake them. Jade nipped at his lower lip, lightly capturing it between her teeth and sucking it into her mouth. He growled once more, another low feral sound, seconds before his lips came crashing down to hers, claiming them with his urgent need. She parted her lips, allowing his tongue entry into her mouth. She moaned a second time, against his mouth as his tongue found hers sending another, almost violent yearning for him through her. As their tongues duelled, her body began to move on its own, rocking against him, her ass rubbing against the hard ridge of his cock, which was desperately straining against his jeans. "Oh-my-God, I want you," she moaned, as he twirled her around in his arms so she was facing him. Her body shivered against him. It felt as though she were no longer in control of her own actions but a prisoner of the intense and sinfully wonderful sensations he was provoking within her. Pressing her back against the railing, Alex threaded his hand into her hair and brought her mouth up to meet his. His groin rubbed roughly against her, causing her to moan once more against his mouth, but this time she didn't even attempt to stifle it. His hands hadn't gone anywhere near her breasts or pussy yet and she was already desperately close to coming in her jeans, just from her need and the anticipation of being with him.
