**Von Laura Lockington : The Cornish Affair (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cornish Affair (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cornish Air, Love and Cooking MixtureVon K. HendriksI definitely liked this book. Not from the start, the very first pages were a bit hard to dive in, but then you'll get accustomed to the style and it is an easy-read and page-turner.Beware: it is not a simple, heart-warming love-story, but written in an easy-going but well planned style with a lot of situational comic, it definitely will shake you with several outbursts of laughter - no, not several, but a lot!! Since now, I have never read anything alike in this genre.I'd give five stars for its entertaining way and the great characterization of the cornish people; one star minus I'll take for it is not so original to build one male love-interest after a very well-known

TV-chef for cooking on Channel 4, even with the name "Oliver". Nevertheless, I am looking forward to more books of this author. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very lovely story Von ClaudiHI really liked the story, the characters are very likeable, too. There's a tiny bit of a family mystery going on, so overall this is a book I really enjoyed. I've read Laura Lockington's previous two books and liked them as well, but they were in hardcopy, and this is the first one I read as an ebook. I only gave this book 3 stars because I would have expected better - if not perfect - editing from an accomplished author. I'm sure all these missing apostrophes, wrong or missing commas, sometimes even missing words, and mixed-up prepositions won't be found in the hardcopy of this book... Luckily I got this book for free, otherwise I'd be really miffed. I'd still recommend this book for the story itself. 0 von 0 Kunden fanden die folgende Rezension hilfreich. entertaining Von Englishteacher This book is what you read when you feel like relaxing and you need the literary equivalent of a nice glass of ros. Nothing too demanding, just nice characters, an entertaining little story and the inevitable happy ending.

Kurzbeschreibung Fin thinks she's finished with love. A dedicated food lover, she potters around her country kitchen with Nelson the bad tempered parrot, Baxter the dog and her delightfully vague Aunt, Nancy. Her days are spent creating ambitious recipes and gazing out onto the Cornish coast from her cliff top home - The House of Dolphins. But this summer something is about to change. At the annual Port Charles beach party the glamorous TV chef Oliver Dean is making an appearance Rich, worldly, and successful he couldn't be more different from Fin. And yet sometimes opposites attract. And suddenly Fin realises that romance is on the menu. But does she still know the ingredients for a 'Cornish Affair'? Or is this a recipe for heartbreak? 'The Cornish Affair' is a delicious marriage of romance and food. It is perfect for lovers of cooking and romance -- and anyone who has ever had a sunny - or rainy - stay in Cornwall. "Good story, likeable characters and evocative descriptions of the Cornish coastline and Fin's lovely food. And it made me laugh!" Jan Ellis, author of 'An Unexpected Affair' and 'French Kisses' A laugh-out-loud foodie romance. Throw in the magic of Cornwall, beach picnics, a handsome TV chef and the eccentric inhabitants of Port Charles and I guarantee you won't be able to put it down! - Sarah Rayner, best-selling author of 'One Moment, One Morning'. When she's not in the kitchen or mentally cataloguing the contents of her cupboards, Laura Lockington is a writer and playwright. Random House published her first two books, 'Stargazy Pie' and 'Capers in the Sauce'. She has also co-written several plays for BBC Radio 4, including a comedy set in a beach hut. She shares her flat with a Frenchman, a wire haired fox terrier and a greedy fridge that demands feeding with monotonous regularity. Endeavour Press is the UK's leading independent digital publisher.
