Von Jay Allan : The Cost of Victory: Crimson Worlds 2 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cost of Victory: Crimson Worlds 2 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gelungener Krieg mit nachvollziehbarem AbschlussVon J. RhodesNach dem durchschnittlichen ersten Teil hat Jay Allen hier ein hervorragendes Werk nachgeliefert.The Cost of Victory erzht im Gegensatz zum erste Teil (Marines) die Geschichte aus der 3 Person eines allwissenden Erzhlrs. Dadurch ist es mglich das hier erstmals auch andere

Charaktere im Focus stehen, so werden auch der Admiral Augustus Garret und der Geheimdienstleiter Gavin Stark, der wahre Kopf hinter der Allianz zu wichtigen Protagonisten die Teile der Story tragen. Weiterhin werden auch zahlreiche Nebencharaktere wie z.B. Cains Geliebte Dr. Linden, und sein Mentor General Holm weiter ausgebaut und bekommen im Verlauf des Buches zunehmend tieferen Zugang. Zum Storyverlauf an sich sei nur gesagt das der Autor es schafft den Frontier War in einer Reihe von gelungenen Boden- und erstmals auch Raumkämpfen zu fñhren, und eine immer besser nachvollziehbare Galaktische und Politische Landkarte zu schaffen, bis es zu einem krönenden Abschluss kommt der uns zu Cains erstem Einsatz zurückbringt und vieles in diesem Krieg erklärt.

KurzbeschreibungThe Third Frontier War is raging, and all across human-occupied space worlds are burning. Massive fleets struggle for dominance and kilometer-long war ships exchange thermonuclear barrages. Battered in the early years of the war, the Western Alliance is resurgent. The brilliant Admiral Augustus Garret leads the Alliance fleet from victory to victory, taking the war to the very heart of the enemy empires. And on the ground, Colonel Erik Cain, hero of the Marine Corps, leads his crack troops again into combat, seeking the final battle. But war is the province of more than soldiers in the line, and in the background, the secretive intelligence agencies of the despotic Superpowers plot and scheme, using their own soldiers as pawns in the great game for control of space. The final battle will be fought in the reddish sands of a backwater world, where the rivalries of the Superpowers are about to become irrelevant, overshadowed by a staggering secret that has lain hidden in a remote cave for untold centuries. All the Powers struggle for the ultimate victory, but at what cost?

The Cost of Victory is the second book in the Jay Allans bestselling Crimson Worlds series (over 800,000 sold) and the direct sequel to *Marines*. The Crimson Worlds Series (Reading Order) Book 1: *Marines* Book 2: *The Cost of Victory* Book 3: *A Little Rebellion* Book 4: *The First Imperium* Book 5: *The Line Must Hold* Book 6: *To Hells Heart* Book 7: *The Shadow Legions* Book 8: *Even Legends Die* Book 9: *The Fall* Standalone, Can be Read at Any Point: *Red Team Alpha (A Crimson Worlds Adventure)*
