Love for more then a lifetimeVon SunshineA wonderfull story with a real describtion of a wife's life and a friendship developing within one hour every day until it's getting more then just friendship.I just wanted to know how the story

continues, if they can accept their love, the change in their lives and what decisions will be made. Even the finish is different to other romances. I finished it within one day. 1 von 2 Kunden fanden die folgende Rezension hilfreich. wow Von Sabrina I was so engrossed in the story that I read it until I was surprised that I turned the last page. It is so beautifully written and moving... I was totally in awe! Muss man gelesen haben!!

**Kurzbeschreibung** Jill and Carrie--both married with teenage children--meet one day during Jill's lunch break at a local park. Soon a friendship is forged. A friendship that deepens with each visit. Jill's husband still lives and breathes the coach's life, a life that leaves him little time to spare for Jill. Left on her own more and more, Jill finds herself searching for the indefinable something that has been missing all her life. Married to a successful businessman, Carrie Howell retired early from a career in real estate to spend more time with her teenage boys, and to pursue her lone passion--painting. She, too, has felt for some time that something is missing from her world. The Cottage is the story of two women pulled by a force stronger than their marriages, stronger than themselves.
